The Proving Ground Michael Connelly, 2025-10-21 From 1 New York Times bestselling author Michael Connelly the Lincoln Lawyer is back with a case against an AI company whose product may have been responsible for the murder of a young girl Following his resurrection walk and need for a new direction Mickey Haller turns to public interest litigation filing a civil lawsuit against an artificial intelligence company whose chatbot told a sixteen year old boy that it was okay for him to kill his ex girlfriend for her disloyalty Representing the victim s family Mickey s case explores the mostly unregulated and exploding AI business and the lack of training guardrails Along the way he joins up with a journalist named Jack McEvoy who wants to be a fly on the wall during the trial in order to write a book about it But Mickey puts him to work going through the mountain of printed discovery materials in the case McEvoy s digging ultimate delivers the key witness a whistleblower who has been too afraid to speak up The case is fraught with danger because billions are at stake It is said that machines became smarter than humans on the day in 1997 that IBM s Deep Blue defeated chess master Garry Kasparov with a gambit called the knight s sacrifice Haller will take a similar gambit in court to defeat the mega forces of the AI industry lined up against him and his clients
