[Beginner's Guide To Podcasting](#) Alexandria Stolley, 2021-08-23 If you're looking for a guide that walks you through how to start a podcast, you're absolutely in the right place. Starting a podcast isn't difficult, but there are many steps you'll need to go through to get it launched. In this podcasting tutorial, we'll walk you through every step of the process. This book gives you a simple overview of podcasting and shares the details required to get you up and running with a quality podcast. You'll probably find each and everything you need to know in the pages of this book to begin podcasting. We'll cover the history of podcasting, how to download podcasts, and most importantly, how your podcast can be produced and distributed. Podcasting is a relatively young area, and many developments are still taking place. What began as a cool way to combine a bunch of current technologies into a nifty way to share audio files has become a global craze that now includes video, pictures, and other types of data used in education, government, and major corporations. It's fair to say that even more improvements in the industry will be seen in the next few years.
