Technology and Language Learning Eric Friginal, Wing Yee Jenifer Ho, 2025-12-22 Technology and Language Learning: Effective Podcasting and Video Based Language Teaching Practices in the Age of Generative AI provides English language teachers with a practical guide to integrating podcasting, video based materials, and Generative AI (GenAI) technologies into their classrooms. Focused on ESL, EFL, and ELT, the book demonstrates how these tools enhance engagement, accessibility, and autonomy while fostering skills like listening, comprehension, vocabulary development, and creative language use. Teachers will find strategies for using podcasts in flipped classrooms, designing authentic video activities, and guiding students in creating multimodal content. The book highlights GenAI tools like ElevenLabs, Canva, and Synthesia for generating adaptive, accessible materials tailored to diverse learners. Addressing challenges and opportunities, it emphasizes balancing AI generated content with authentic language practice. Real world examples and case studies illustrate practical applications in culturally sensitive and inclusive ways. Whether in traditional, hybrid, or online settings, it offers actionable guidance for leveraging digital tools as transformative components of modern pedagogy, preparing students to thrive in a GenAI driven, globally connected world. By bridging research and practice,

this textbook empowers teachers and practitioners to reimagine classrooms as dynamic spaces where technology supports creativity collaboration and critical thinking How to Start a Podcast for Beginners Maxwell Rotheray, Do you want to start a podcast Great Podcasting is a great way to grow your audience and increase sales Many content creators do this and come back testifying There are quite some steps for starting a podcast and you can roll in the mud if you re not guided Gladly this guide will lead you through the simplest way Podcasting should not be that hard Read on to learn Podcasting allows you to repurpose and make the most out of your high performing content It gives you enough time to know your audience well You can start a successful podcast even without having a blog or being an established content creator You can build and new target audience for your brand audience from scratch and with ease when you own a podcast It even helps you create a deeper bond with your audience It helps you build credibility and authority in your niche This is because podcasting presents you as an expert in the industry thereby giving you authority The popularity of podcasts is growing widely because it is easier to consume podcasts than written documents Even while people are in a gym driving in their cars or at work they can listen to a podcast There is a high tendency for people to buy your product or purchase the services after you ve advertised it on the podcast This book contains powerful and proven strategies to make the best of podcasting to build profit in your business and to also establish an online presence **Audiobook Narration: A Beginner's Blueprint to Professional Voice Work**
