Podcaster's Audio Handbook Corey Marie Green, 2021 Podcasting is a powerful tool of communication and creative expression that doesn't need to be intimidating. This book brings together the creative and technical aspects of audio engineering to help podcasters communicate their ideas effectively and creatively. The Podcaster's Audio Handbook focuses on simple techniques that immediately elevate the audio quality of your podcast. The book provides an overview of podcast recording and editing techniques so that podcasters can avoid common pitfalls. Readers will also gain access to audio downloads to enhance the learning process. With this book, you can improve the technical aspects of recording and editing your podcasts. Anyone can learn audio techniques, and I encourage anyone to share their stories through podcasting. Unleash your creativity and connect with your audience. What You Will Learn: Choose the correct file formats and settings. Set up a portable recorder. Make informed decisions about equipment purchases. Find suitable acoustic spaces to record inside and outside. Conduct an interview over the phone and the internet. Make a high quality recording of an interview inside, outside, and remotely. Edit your podcast to an intermediate standard. Who This Book Is For: Perfect for a non-technical audience or beginner to intermediate podcaster looking to improve the audio quality of their podcast.
