## Crystal Doorways:

Crystal Doorways Simon Lilly, Sue Lilly, 1997 Attuning oneself to one's self and harmonising with the energies that surround one and one's immediate environment is the basis for this innovative book. For those who work with crystals regularly on an amateur or professional basis, a copy of Sue and Simon's work should be a must for your collection. British Astrological and Psychic Society Newsletter. *Crystal Doorways* focuses on a very particular system of using crystals and colour to bring about changes in your consciousness and an increasing understanding of the energy world around us. The idea of using crystals placed on and around the body has been known for a long time, but most layouts required a vast number of large and expensive crystals or an honours degree in geometry to work them out. Developed as a result of running many courses, *Crystal Doorways* gives a clear, immediately understandable system of energy nets using small, easily obtainable crystals. These energy nets are simple, usually only requiring small tumbled stones, but they can be extremely powerful. Each net is illustrated and described in full, with what stones to use, where to place them, potential uses, and background information. *The Crystal Doorways Companion* Simon Lilly, Sue Lilly, 2012 Beyond Crystal Doorways Simon Lilly, Sue Lilly, 2012 *Crystals Made Easy* Judy Hall, 2021-10 A practical step-by-step guide to working with crystals for healing, protection, and spiritual development.
