Cuba Hoy Una Revolucion En Marcha:

Cuba, hoy Toni Turull,1977 **Revolutionary Change in Cuba** Carmelo Mesa-Lago,1972-01-15 Cuba has been transformed more radically within one decade than almost any society in recent history Yet the Cuban Revolution is poorly understood abroad because of its physical and political isolation the controversies between adherents of the old and new regimes and the murky skirmishes of the cold war This collection of essays is a comprehensive and authoritative study of almost all major aspects of socialist Cuba It draws together the talents of the ablest group of Cuban specialists ever represented in a single volume **Cuba, hoy : una revolución en marcha** ,1977 Caribbean Studies ,1976

Community and Culture in Post-Soviet Cuba Guillermina De Ferrari,2014-03-14 Following the disintegration of the Soviet Union the globalization of Cuban culture along with the bankruptcy of the state partly modified the terms of intellectual engagement However no significant change took place at the political level In Community and Culture in Post Soviet Cuba De Ferrari looks into the extraordinary survival of the Revolution by focusing on the personal political and aesthetic social pacts that determined the configuration of the socialist state Through close critical readings of a representative set of contemporary Cuban novels and works of visual art this book argues that ethics and gender rather than ideology account for the intellectuals fidelity to the Revolution Community and Culture does three things it demonstrates that masculine sociality is the key to understanding the longevity of Cuba s socialist regime it examines the sociology of cultural administration of intellectual labor in Cuba and it maps the emergent ethical and aesthetic paradigms that allow Cuban intellectuals to envision alternative forms of community and civil society **Library of Congress Catalogs** Library of Congress,1979 *Subject Catalog*, 1978 Library of Congress,1978 *Cuadernos de Ruedo Iberico* ,1967 **Cuadernos de Ruedo Ibérico** , *La Prensa española en el 25 aniversario de la revolución cubana* ,1984 *Subject Catalog* Library of Congress,1978 **Patriots and Traitors in Revolutionary Cuba, 1961-1981** Lillian Guerra,2023-01-17 Authorities in postrevolutionary Cuba worked to establish a binary society in which citizens were either patriots or traitors This all or nothing approach reflected in the familiar slogan patria o muerte fatherland or death has recently been challenged in protests that have adopted the theme song patria y vida fatherland and life a collaboration by exiles that predictably has been banned in Cuba itself Lillian Guerra excavates the rise of a Soviet advised Communist culture controlled by state institutions and the creation of a multidimensional system of state security whose functions embedded themselves into daily activities and individual consciousness and reinforced these binaries But despite public performance of patriotism the life experience of many Cubans was somewhere in between Guerra explores these in between spaces and looks at Cuban citizens complicity with authoritarianism leaders exploitation of an earnest anti imperialist nationalism and the duality of an existence that contains elements of both support and betrayal of a nation and of an ideology **Marcha** ,1961 *The Socialist Sixties* Anne E. Gorsuch,Diane P. Koenker,2021-12-22 A very engaging collection of essays that adds much to an evolving literature

on the social history of the Soviet Union and broader socialist societies Choice The 1960s have reemerged in scholarly and popular culture as a protean moment of cultural revolution and social transformation In this volume socialist societies in the Second World the Soviet Union East European countries and Cuba are the springboard for exploring global interconnections and cultural cross pollination between communist and capitalist countries and within the communist world Themes explored include flows of people and media the emergence of a flourishing youth culture sharing of songs films and personal experiences through tourism and international festivals and the rise of a socialist consumer culture and an esthetics of modernity Challenging traditional categories of analysis and periodization this book brings the sixties problematic to Soviet studies while introducing the socialist experience into scholarly conversations traditionally dominated by First World perspectives
