Cruising Guide To The Netherlands:

Cruising Guide to the Netherlands Brian Navin, 2000-06-19 *Cruising Guide to the Netherlands and Belgium* Royal Cruising Club Pilotage Foundation, 2025-06-01 *Cruising Guide to the Netherlands and Belgium* is a new first edition from the Royal Cruising Club Pilotage Foundation building on Brian Navin's popular guide which was regarded as the authoritative companion for anyone cruising the Netherlands using fixed mast routes. The new guide provides a comprehensive overview and pilotage of the coastal ports and the mast up routes through the heart of the Netherlands. Coverages stretch from Nieuwpoort in Belgium via the Rhine Maas Schelde Delta up the coast of Holland and into the stunning cruising grounds of the Waddenzee to the border with Germany. Additionally an edited selection of inland routes for yachts covers the rivers and canals of north and south Holland, Friesland and Groningen. The marinas, ports and waterways of the IJsselmeer, Markermeer and Randmeren complete the volume. The authors Kieran Flatt and Hilary Keatinge look in extensive detail at the practicalities, culture and history of the countries and have illustrated the guide with excellent photographs. Familiar Imray chartlets provide useful guidance. A must for anyone exploring these countries for the first time or for frequent visitors. 50 *Great Inland Cruising Routes in the Netherlands* Andy and Gwen Mulholland, 2020-02-16 A guide to 50 great cruises on the rivers and canals of the Netherlands with details of locks, bridges, moorings and facilities on each waterway. Cover **Sailing in Paradise** Rod Heikell, 2013-08-05 This comprehensive guide to the world of chartering compiled by Rod Heikell shares the breadth of his knowledge and experience recommending types of charter, best types of boat as well as essential information about the world's cruising areas. Taking a practical approach he explains everything prospective charterers need to know before setting sail: visas required, healthcare money and what to expect from foreign harbours and anchorages. At the heart of the book is a country-by-country round-up of charter areas around the world with pros and cons, best times to go, wind and sea conditions, harbours and anchorages, eating out, safety, documentation requirements and getting there. Each area is illustrated with a map and colour photos. This unique guide is a must-have reference for charterers the world over and a mouth-watering appetiser for those dreaming about where they would like to sail in the future. *Sailing Directions for the Coast of Holland from the Texel to the Horn Reefs and to the Scaw; Including the Island of Helgoland* Netherlands.
