Film and Video Finder, 1997, 1997 *Pacific Coast Musical Review*, 1912 **The Music for "Victory at Sea"** George Joseph Ferencz, 2023 This long awaited study explores the creation of NBC TV's landmark 1952-53 WWII documentary series with particular attention to its evocative Rodgers Bennett score Victory at Sea NBC TV's innovative 1952-53 WWII documentary was eventually broadcast to more than 100 million viewers worldwide Its episodes chronicled the war's conflicts while highlighting the US Navy's contributions NBC having sourced footage from the military governments and newsreel agencies of fourteen nations Victory's special distinction was its music with each episode's nonstop score recorded by the acclaimed NBC Symphony Orchestra The music was credited to Richard Rodgers then at the height of his fame as composer and Robert Russell Bennett as arranger and conductor In fact Rodgers composed twelve piano themes Bennett developed these endlessly for orchestra and in addition composed many hours of the score outright Part One chronicles Victory's gestation and production at NBC its reception the series afterlife in syndication and home video and the score's Gold Record sales success on RCA records Part Two examines each episode in turn focusing on how the Bennett scored music pairs with screen action Every transformation of the much used Rodgers themes is cited along with the episodes musical inter relationships The hundreds of musical examples generously sample the score's 111 2 hours of music NBC's Victory has been neglected by Richard Rodgers's biographers and by film historians As the series celebrates its 70th anniversary the Rodgers Bennett score here finally receives recognition for its artistry and power **Film & Video Finder**, 1997 *European Entry into the Pacific* Dennis O. Flynn, Arturo Giráldez, 2017-09-08 World history conventionally ignores or underestimates the importance of Manila the Manila galleons and the Philippines as key stages in the development of trans Pacific contact and of the world economy Essays in this volume discuss Philippine Asian exchanges prior to the entry of Europeans and then look at European influences and the impact of Magellan's voyage and the emergence of Manila as one of global trade's crucial linchpins during four centuries Linkages between Latin America and China and Spanish Japanese competition for the Chinese marketplace are important topics Tensions and cooperation among Chinese Japanese Iberians Africans Christians Muslims and others on Philippine soil are also covered This volume suggests the need for thorough re evaluation of the Philippines central role in terms of both Pacific history and global history as perhaps the single most important stage in the traffic that linked China and Latin America *Bowker's Complete Video Directory 2001*, 2001 *A Fateful Time* Elmer R. Rusco, 2000-08-01 The Indian Reorganization Act IRA of 1934 has been generally acknowledged as the most important statute affecting Native Americans after the General Allotment Act of 1887 and it is probably the most important single statute affecting Native Americans during the two thirds of a century since its passage Over half the Native governments in the contemporary U S are organized under its provisions or under separate statutes that parallel the IRA in major ways Although the impact of the IRA has been widely studied and debated no scholar until now has looked closely at

the forces that shaped its creation and passage Author Elmer Rusco spent over a decade of research in national and regional archives and other repositories to examine the legislative intent of the IRA including the role of issues like the nature and significance of judge made Indian law the allotment policy and its relation to Indian self government the nature of Native American governments before the IRA the views and actions of John Collier commissioner of Indian Affairs and leader in the campaign to reform the nation s Indian policy and the influence of relations between the president and Congress during the second year of the New Deal Rusco also discusses the role of conflicting ideologies and interests in this effort to expand the rights of Native Americans the general ignorance of Native American concerns and policy on the part of legislators engaged in the writing and passage of the law and the limited but crucial impact of Indian involvement in the struggle over the IRA
