## **Crusading Commoner A Close Up Of William:**

**The Triumph of William McKinley** Karl Rove, 2015-11-24 A fresh look at President William McKinley from New York Times bestselling author and political mastermind Karl Rove a rousing tale told by a master storyteller whose love of politics campaigning and combat shines through on every page Doris Kearns Goodwin Pulitzer Prize winning author of *Team of Rivals* The 1896 political environment resembles that of today an electorate being transformed by a growing immigrant population an uncertain economy disrupted by new technologies growing income inequality and basic political questions the two parties could not resolve McKinley's winning presidential campaign addressed these challenges and reformed his party With a sure touch and professional eye *The Washington Post* Rove tells the story of the 1896 election and shows why McKinley won creating a governing majority that dominated American politics for the next thirty six years McKinley a Civil War hero changed the arc of American history by running the first truly modern presidential campaign Knowing his party needed to expand its base to win he reached out to diverse ethnic groups seeking the endorsement of Catholic leaders and advocating for black voting rights Running on the slogan *The People Against the Bosses* McKinley also took on the machine men who dominated his own party He deployed campaign tactics still used today including targeting voters with the best available technology Above all he offered bold controversial answers to the nation's most pressing problem how to make a new more global economy work for every American and although this split his own party he won the White House by sticking to his principles defeating a champion of economic populism William Jennings Bryan Rove brings to life the drama of an electoral contest whose outcome seemed uncertain to the candidate and his handlers until the end *The New York Times Book Review* in a lively and rigorous book *The Wall Street Journal* that will delight students of American political history **The Crusading Commoner. A Close-up of William Jennings Bryan and His Times, Etc. [With Plates, Including Portraits.]** Charles McDaniel ROSSER, William Jennings BRYAN, 1937 **Realigning America** R. Hal Williams, 2022-03-31 The presidential election of 1896 is widely acknowledged as one of only a few that brought about fundamental realignments in American politics New voting patterns replaced old a new majority party came to power and national policies shifted to reflect new realities R Hal Williams now presents the first study of that campaign in nearly fifty years offering fresh interpretations on the victory of Republican William McKinley over Democrat William Jennings Bryan In tracing the triumph of gold over silver in this fabled battle of the standards R Hal Williams also tells how the Republicans the party of central government national authority sound money and activism pulled off a stunning win over the Democrats the party of state's rights decentralization inflation and limited government Meanwhile the People's Party one of the most prominent third parties in the country's history which also nominated Bryan went down to a defeat from which it would never recover Williams plunges readers into a contest that set new standards in financing organization and accountability and he analyzes the transition from the long dominant military style of campaign to the educational style that appealed to a savvier electorate

He also presents key players in new light he views Bryan not simply as a gifted speaker whose Cross of Gold speech took the Democratic convention by storm but as a more calculating politician with his eye squarely on the nomination he depicts McKinley's campaign manager Mark Hanna not as the one dimensional fundraising machine painted by history but rather as a shrewd insightful politician who understood what was required to get his man elected and he presents retiring president Cleveland as an increasingly out of touch irrelevant chief executive whom the Democrats repudiated in a way no other party ever had a sitting president With the Republicans star on the rise and the Democrats banished to the South and the cities the 1896 election was more than a victory of one party over another it marked the emergence of new ways of politicking that makes this campaign especially relevant for twenty first century readers      *William Jennings Bryan: Political puritan, 1915-1925* Paolo Enrico Coletta, 1964      **Defender of the Faith** Lawrence W. Levine, 1987 Defender of the Faith offers a reinterpretation of William Jennings Bryan in his last years as an unchanging Progressive whose roots were deeply embedded in agrarian populism It changes the standard picture of Bryan in his final years as that of a crusader for social and economic reform sadly transformed into a reactionary champion of anachronistic rural evangelism cheap moralistic panaceas and Florida real estate He pleaded for for progressive labor laws liberal taxes government aid to farmers public ownership of railroads telegraphs and telephones federal development of water resources minimum wages for labor and other advanced causes      **Presidential Also-rans and Running Mates, 1788-1980** Leslie H. Southwick, 1984      **William Jennings Bryan and Democratic Foreign Policy, 1896-1915** Kendrick A. Clements, 1970      **Theodore Roosevelt Collection; Dictionary Catalogue and Shelflist** Harvard University. Library, 1970      *Subject Catalog; of the Library of the State Historical Society of Wisconsin, Madison, Wisconsin* State Historical Society of Wisconsin. Library, 1971      William Jennings Bryan David D. Anderson, 1981      *Writings on American History*, 1942      *Members of Congress* Robert Goehlert, Fenton S. Martin, John R. Sayre, 1996      **His Own Counsel** Ralph Joseph Roske, 1979      **Nebraska History** James Lee Sellers, Addison Erwin Sheldon, James C. Olson, 1996      Nebraska History Michael L. Tate, 1995-08-22 The first systematic bibliographical tool ever assembled for the state of Nebraska      *The elections, 1789-1992* James T. Havel, 1996      *The Mennonite Quarterly Review* Harold Stauffer Bender, 1971      Journal of the Illinois State Historical Society Illinois State Historical Society, 1960      **Annual Report of the American Historical Association** American Historical Association, 1942      **The Commoner Condensed** William Jennings Bryan, 1902
