Crusading Liberal Paul H Douglas Of Illinois:

Crusading Liberal Roger Biles, 2002 A lifelong crusader for society's powerless Senator Paul Douglas championed reform and helped to bring civil rights issues to the forefront of mid twentieth century American politics During his eighteen years in the U S Senate his advocacy of liberal causes brought him national recognition In the eyes of many Douglas embodied the very ideals of the Great Society Covering the full span of Douglas's life from his youth and early work at Hull House In Chicago to his leadership in the Senate *Crusading Liberal* illuminates the life and times of the man Martin Luther King Jr called the greatest of all senators *Chicago Portraits* June Skinner Sawyers, 2012-03-31 The famous the infamous and the unjustly forgotten all receive their due in this biographical dictionary of the people who have made Chicago one of the world's great cities Here are the life stories provided in short entertaining capsules of Chicago's cultural giants as well as the industrialists architects and politicians who literally gave shape to the city Jane Addams Al Capone Willie Dixon Harriet Monroe Louis Sullivan Bill Veeck Harold Washington and new additions Saul Bellow Harry Caray Del Close Ann Landers Walter Payton Koko Taylor and Studs Terkel *Chicago Portraits* tells you why their names are inseparable from the city they called home

The Krebiozen Hoax Matthew C. Ehrlich, 2024-08-20 The brainchild of an obscure Yugoslav physician Krebiozen emerged in 1951 as an alleged cancer treatment Andrew Ivy a University of Illinois vice president and a famed physiologist dubbed the conscience of U S science wholeheartedly embraced Krebiozen Ivy's impeccable credentials and reputation made the treatment seem like another midcentury medical miracle But after years of controversy the improbable saga ended with Krebiozen proved a sham its inventor fleeing the country and Ivy's reputation and legacy in ruins Matthew C Ehrlich's history of Krebiozen tells a quintessential story of quackery Though most experts dismissed the treatment it found passionate public support not only among cancer patients but also people in good health The treatment's rise and fall took place against the backdrop of America's never ending suspicion of educational scientific and medical expertise In addition Ehrlich examines why people readily believe misinformation and struggle to maintain hope in the face of grave threats to well being A dramatic account of fraud and misplaced trust *The Krebiozen Hoax* shines a light on a forgotten medical scandal and its all too familiar relevance in the twenty first century

The Last Great Senate Ira Shapiro, 2017-12-28 *The Last Great Senate* tells the story of the final four years of the progressive Senate of the 1960s and 1970s which compiled a record of accomplishment unmatched in our country's history It is a narrative history of the statesman who working with an outsider president Jimmy Carter helped steer America through the crisis years of the late 1970s transcending partisanship and overcoming procedural roadblocks that have all but crippled the Senate over the past quarter century *The Last Great Senate* recalls a critical juncture in American politics offering a new view of the kind of leadership that will be required to restore the nation's upper house to greatness The book brings to life the renowned senators of the time Ted Kennedy Howard Baker Henry Scoop Jackson Ed Muskie Jacob Javits Robert Byrd and others while capturing the Senate as an ensemble cast in a way

that no previous book has Mr Shapiro recounts a series of legislative battles including the historic fight over the Panama Canal treaty and the rescues of New York City and Chrysler that are remarkable case studies of the legislative process in action His preface to this second edition provides a compelling summary of the Senate s struggles since 1980 including the first six months of the Trump presidency The author s love of the Senate and his deep belief in its special role in our political system make the book an antidote to cynicism leaving readers with some hope that the Senate can reverse its long decline to become again what Walter F Mondale called the nation s mediator *The Fate of Cities* Roger Biles,2011 The first major comprehensive treatment of urban revitalization in 35 years Examines the federal government s relationship with urban America from the Truman through the Clinton administrations Provides a telling critique of how in the long run government turned a blind eye to the fate of cities *Cities of Knowledge* Margaret Pugh O'Mara,2015-02-17 What is the magic formula for turning a place into a high tech capital How can a city or region become a high tech powerhouse like Silicon Valley For over half a century through boom times and bust business leaders and politicians have tried to become the next Silicon Valley but few have succeeded This book examines why high tech development became so economically important late in the twentieth century and why its magic formula of people jobs capital and institutions has been so difficult to replicate Margaret O Mara shows that high tech regions are not simply accidental market creations but cities of knowledge planned communities of scientific production that were shaped and subsidized by the original venture capitalist the Cold War defense complex At the heart of the story is the American research university an institution enriched by Cold War spending and actively engaged in economic development The story of the city of knowledge broadens our understanding of postwar urban history and of the relationship between civil society and the state in late twentieth century America It leads us to further redefine the American suburb as being much more than formless sprawl and shows how it is in fact the ultimate post industrial city Understanding this history and geography is essential to planning for the future of the high tech economy and this book is must reading for anyone interested in building the next Silicon Valley **Illinois Issues** ,2003 **Journal of Illinois History** ,2013 **Journal of the Illinois State Historical Society** ,2018 **Illinois History Teacher** ,2006 **Symposium, the Fair Housing Act After 40 Years** ,2008 Congressional Record United States. Congress,1974 **Publications of the State of Illinois** ,2002 **Illinois Documents List** ,2001 **Annals of Iowa** ,2006 *Program* Organization of American Historians. Meeting,2003 Healing America Paul Simon,2003 Paul Simon former U S Senator from Illinois widens a national debate September 11th 2001 changed everything we are beginning to realize what happens to one of us happens to all of us And we are beginning to understand that what happens to others in foreign lands also happens to us Mr Simon calls for a new way of thinking and challenges us to new priorities a renewing of the best American values Simon expands on the familiar meaning of values such as family religion equality optimism and initiative He also explores equally important but less talked about values restraint humility participation compassion integrity and much more Healing

America reminds us of what is best in us and encourages us to extend our highest vision and values by living them here and now

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Housing Policy Debate** ,2012 *A Matter of Justice* David A. Nichols,2008-09-23

Fifty years after President Dwight D Eisenhower ordered troops to Little Rock Arkansas to enforce a federal court order desegregating the city s Central High School a leading authority on Eisenhower presents an original and engrossing narrative that places Ike and his civil rights policies in dramatically new light Historians such as Stephen Ambrose and Arthur Schlesinger Jr have portrayed Eisenhower as aloof if not outwardly hostile to the plight of African Americans in the 1950s It is still widely assumed that he opposed the Supreme Court s landmark 1954 Brown v Board of Education decision mandating the desegregation of public schools that he deeply regretted appointing Earl Warren as the Court s chief justice because of his role in molding Brown that he was a bystander in Congress s passage of the civil rights acts of 1957 and 1960 and that he so mishandled the Little Rock crisis that he was forced to dispatch troops to rescue a failed policy In this sweeping narrative David A Nichols demonstrates that these assumptions are wrong Drawing on archival documents neglected by biographers and scholars including thousands of pages newly available from the Eisenhower Presidential Library Nichols takes us inside the Oval Office to look over Ike s shoulder as he worked behind the scenes prior to Brown to desegregate the District of Columbia and complete the desegregation of the armed forces We watch as Eisenhower assisted by his close collaborator Attorney General Herbert Brownell Jr sifted through candidates for federal judgeships and appointed five pro civil rights justices to the Supreme Court and progressive judges to lower courts We witness Eisenhower crafting civil rights legislation deftly building a congressional coalition that passed the first civil rights act in eighty two years and maneuvering to avoid a showdown with Orval Faubus the governor of Arkansas over desegregation of Little Rock s Central High Nichols demonstrates that Eisenhower though he was a product of his time and its backward racial attitudes was actually more progressive on civil rights in the 1950s than his predecessor Harry Truman and his successors John F Kennedy and Lyndon Johnson Eisenhower was more a man of deeds than of words and preferred quiet action over grandstanding His cautious public rhetoric especially his legalistic response to Brown gave a misleading impression that he was not committed to the cause of civil rights In fact Eisenhower s actions laid the legal and political groundwork for the more familiar breakthroughs in civil rights achieved in the 1960s Fair judicious and exhaustively researched *A Matter of Justice* is the definitive book on Eisenhower s civil rights policies that every presidential historian and future biographer of Ike will have to contend with **Program of the ... Annual Meeting** American Historical Association. Meeting,2002
