Moore, 2024-05-22 The authoritative cultural history of Virginia's most famous accused witch In 1706 Grace Sherwood was ducked after her neighbors in Princess Anne County accused her of witchcraft Binding and throwing her into the Lynnhaven River they waited to see whether she would float to the top evidence of her guilt or sink proof of her innocence Incredibly she survived This bizarre spectacle became an early piece of Virginia folklore as stories about Sherwood the Witch of Pungo spread Her legend still looms large in Tidewater In 2006 Governor Tim Kaine even issued an informal pardon of Sherwood read aloud by the mayor of Virginia Beach before the annual reenactment of Sherwood's ducking This is the first book to explore Grace Sherwood's life and cultural impact in depth Anyone interested in colonial Virginia American folklore and the history and legacy of witch trials will find much to enjoy in this spellbinding book

Sollee, 2023 Travelling through cities and sites across Italy France Germany Ireland the United Kingdom and the United States Kristen J Sollee explores the places and people significant to the early modern legacy of the witch Between the 15th and 17th centuries a confluence of political economic and religious factors ignited a wildfire of witch hysteria in Europe and later in parts of America At the heart of these witch hunts were often dangerous misconceptions about femininity and female sexuality and women were disproportionately punished as a result Today this lineage of oppression remains a

vital reference point in the fight for women's rights and human rights in the Western world and beyond By infusing an adventurous first person narrative with extensive research and moments of imaginative historical fiction Sollee author of *Witches Sluts Feminists* makes an often overlooked period of history come alive Written for armchair travellers and on the ground explorers alike *Witch Hunt* not only uncovers the horrors of history but how the archetype of the witch has been rehabilitated For witches are not just haunting figures of the past the witch is also a liberatory icon and identity of the present Provided by publisher      **The Denham Tracts** Michael Aislabie Denham,1895      **Publications** Folklore Society (Great Britain),1895      **California Pastoral. 1769-1848** Hubert Howe Bancroft,1888      General History of Duchess County Philip Henry Smith,1877      *The Woman's Journal* ,1920      *A Turkish and English Lexicon* Sir James William Redhouse,1890      **A Lexical Concordance to the Poetical Works of Percy Bysshe Shelley** Frederick Startridge Ellis,1892      **Book Review Index** ,1985 Every 3rd issue is a quarterly cumulation
