

The book cover is divided into two main horizontal sections. The top section features a close-up, high-contrast photograph of a person's face, rendered in shades of yellow and brown, with a dark, shadowed eye visible on the right. The bottom section is a solid reddish-brown color, featuring a faint, stylized illustration of a person with their arms raised in a gesture of surrender or triumph. In the bottom right corner of this section, there is a small, detailed illustration of two bright orange fruits, possibly mangoes, with green leaves.

Cuban Inferno:

Cuban Inferno Sam Victor, 1981 **José Martí, Cuban Apostle** Cintio Vitier, Daisaku Ikeda, 2013-09-17 Once called the wellspring of the revolution by Fidel Castro Jose Marti 1853 1895 is revered as one of the greatest figures in the history of Cuba Not only was he instrumental in the late nineteenth century cause of securing Cuban independence from Spain He is also considered one of Cuba s most brilliant writers orators and formative intellectuals who provided inspiration to the young Fidel Che and their fellow revolutionaries by dedicating his whole life to the goal of national political emancipation Jose Marti suffered persecution and early imprisonment for his convictions and in consequence is often referred to as the Cuban Apostle In this wide ranging discussion of Marti s life work and influence distinguished Cuban poet Cintio Vitier and prominent Buddhist leader Daisaku Ikeda explore their subject s understanding of non violence his nationalism that was also a profound openness to difference and dialogue his spirituality his poetical writings and most of all his fundamental dignity humanity and self mastery The book explores above all the nature of sacrifice and the cost of relinquishing personal happiness for the sake of a great cause The discussants examine Marti s family life including his difficult relationships with his wife Carmen Zayas Bazan and his parents who distanced themselves from his revolutionary fervour Comparisons are drawn between Marti s ideals and Nichiren Buddhism as a source of unfailing hope and courage As Daisaku Ikeda follower of Nichiren says at one point in the dialogue Self mastery is the hardest thing of all But to have a spiritual nature worthy of the name a person must overcome himself a task that only a true optimist can accomplish Marti s perspicacity is revealed in his conviction that final victory in life is assured by such optimists Marti like Nichiren had the unerring ability to turn enemies into friends And as Cintio Vitier and Daisaku Ikeda reveal what set Marti apart was not his thought or ideas alone but what emanated from his words and found embodiment in his actions It was thus that a follower at the time could say of him we don t understand him but we are ready to die for him *Fidel & Gabo* Angel Esteban, 2011-10-12 An exposé of the controversial friendship between Nobel prize winning author Gabriel Garcia Marquez and Fidel Castro Few contemporary writers are more revered by Americans than Gabriel Garcia Marquez the Nobel prize winning author of *Love in the Time of Cholera* and *One Hundred Years of Solitude* And few political leaders are more reviled than Fidel Castro Yet these two seemingly disparate men are close friends What could possibly unite these two men in friendship In *Fidel and Gabo* M rquez scholar Angel Esteban and Stephanie Panichelli examine this strange intimate and incredibly controversial friendship between the beloved author and Cuban dictator exposing facets of their personalities never before revealed to the greater public For years M rquez long fascinated with power solicited and flattered Castro in hopes of a personal audience for he viewed Castro s Cuba as the model on which Latin America would one day build its own brand of socialism Upon their first meeting Castro quickly came to regard M rquez as a genius and still calls him his closest friend and confidant To this day M rquez still gives Castro first look at all his manuscripts and craves his approval *Fidel and Gabo* is a vivid and in depth look at two of the most influential

men of the modern era their worlds and the effect this friendship has had on their life and works

EXAMINING THE PAST TO UNDERSTAND THE PRESENT JORGE E. PONCE, 2023-07-21 This book is about his journey as a political refugee from Cuba to the United States It s about the challenges disappointments and victories that destiny threw in his path To bring in American poet Robert Frost Jorge had two paths to choose to follow one leading to an honorable life and the other taking him to a disreputable future Looking back on the strong Judeo Christian values that his family had given him and with no support system to fall back on he chose the path that led him to the man that he is today a proud American who is eternally thankful for the opportunities that our country gave him a proud husband with a forty five year marriage a proud father of a wonderful son and an ardent patriot who wants to keep the best that America has to offer for future generations He saw how communism destroyed a once prosperous Cuba He recognizes Communist China as the greatest threat to the survival of the United States He was a Democrat for the majority of his life as he considered himself to be a fiscal conservative with a social conscience But he switched his political affiliation to the Republican Party after former President Obama extended an olive branch to the Government in Communist Cuba without demanding any concessions for human and civil rights When some political gurus ask themselves the reasons for the recent exodus of Hispanics to the Republican Party this book will provide a few answers The book is divided into five parts his life experiences in Cuba BC before Castro his life in Cuba AC after Castro took control of the Cuban Government life growing up in the United States retirement and an appendix of his articles on a myriad of topics that have touched his soul

I Was Castro's Prisoner John Martino, Nathaniel Weyl, 2020-04-23 I Was Castro s Prisoner is a historically significant book that in 1963 was a media sensation in conservative political circles Author John Martino presented first hand personal experience to virtually all the evils that had come with the Castro revolution He offered descriptions of ongoing brutal executions held against the wall and related stories of full fledged warfare against both the capitalist and professional classes within Cuba What Martino witnessed and was openly documenting were the very worst fears of the Cold War the victory of communism in a capitalist country and the subsequent destruction of a way of life for its people Originally published in 1963 republished now to accompany new historical information on the possibility that Martino may have played a role in a conspiracy that resulted in the death of President John Kennedy In later years only months before his death Martino confided that he served as a courier and had certain details regarding a conspiracy to kill JFK in Dallas Martino was also prominent among those who provided purported evidence to prove Fidel Castro had been the moving force behind the accused assassin Lee Oswald You will not find the details of what Martino did in 1963 in I Was Castro s Prisoner what you will find is the reason he acted as he did

Print ed **Frei Betto** Americo Oscar Guichard Freire, Evanize Martins Sydow, 2020-07-31 The Biography includes a Preface by Cuban Commander Fidel Castro Frei Bettos roles as a revolutionary Christian popular educator social movement articulator and journalist writer provide insight into the political and religious history not only of Brazil but of Cuba and

former socialist countries of Eastern Europe His lifepath is one of engagement with the revolutionary struggle against the Brazilian military dictatorship in favor of social transformation His arrest in 1969 for coordinating the safe departure of political militants from Brazil and his concern to eliminate hunger and suffering from the poorer classes were strong credentials as he promoted dialogue between political bodies the religious establishment and the population at large Strongly influenced by the propositions of Liberation Theology a defining thread of its activities was to seek an understanding an accommodation between Christianity and socialism Friar Betto maintained close relations with former Brazilian President Lula da Silva and Fidel Castro and the Cuban revolutionary government and wrote about how the internal dynamics of the Cuban religious universe could be applied to other countries and to different political circumstances His writings on socialist countries especially *Paradise Lost* are aimed at promoting understanding on several levels between the Church and the communists between the military and politicians between religious leaders and the people Frei Bettos biography is an invitation to understand five decades of a personal pursuit of revolutionary ideals through the prism of religious tolerance and the pursuit of socialism The Portuguese edition was a finalist in the biography section of Jabuti the prestigious national literary prize granted by the Brazilian Book Chamber CBL
