

An aerial photograph of a dense, green tropical forest. A dark, winding river or stream meanders through the landscape, creating a series of loops and curves. The vegetation is thick and vibrant green, with the river providing a stark contrast in color and texture.

Cubeo Hehenewa Religious Thought Metaphysics Of A Northwestern Amazonian People:

Cubeo Hehnewa Religious Thought Irving Goldman, 2004-07-06 With a foreword by Edward O Wilson this book brings together internationally known experts from the scientific societal and conservation policy areas who address policy responses to the problem of biodiversity loss how to determine conservation priorities in a scientific fashion how to weigh the long term often hidden value of conservation against the more immediate value of land development the need for education in areas of rapid population growth and how lack of knowledge about biodiversity can impede conservation efforts United in their belief that conservation of biological diversity is a primary concern of humankind the contributing authors address the full scope of global biodiversity and its decline the threatened marine life and extinction of many mammals in the modern era in relation to global patterns of development and the implications of biodiversity loss for human health agricultural productivity and the economy *The Living Planet in Crisis* is the result of a conference of the American Museum of Natural History's Center for Biodiversity and Conservation

Introducing Anthropology of Religion Jack David Eller, 2007-08-07 This lively and readable survey introduces students to key areas of the field and shows how to apply an anthropological approach to the study of contemporary world religions Written by an experienced teacher it covers all of the traditional topics of anthropology of religion including definitions and theories beliefs symbols and language and ritual and myth and combines analytic and conceptual discussion with up to date ethnography and theory Eller includes copious examples from religions around the world both familiar and unfamiliar and two mini case studies in each chapter He also explores classic and contemporary anthropological contributions to important but often overlooked issues such as violence and fundamentalism morality secularization religion in America and new religious movements *Introducing Anthropology of Religion* demonstrates that anthropology is both relevant and essential for understanding the world we inhabit today

Symbolism 16 Rüdiger Ahrens, Florian Kläger, Klaus Stierstorfer, 2016-10-10 Essays in this special focus constellation around the diverse symbolic forms in which Caribbean consciousness has manifested itself transhistorically shaping identities within and without structures of colonialism and postcolonialism Offering interdisciplinary critical analytical and theoretical approaches to the objects of study the book explores textual visual material and ritual meanings encoded in Caribbean lived and aesthetic practices

Cultural Anthropology, 2010 Explore the most fascinating creative dangerous and complex species alive today you and your neighbors in the global village With compelling photos engaging examples and select studies by anthropologists in far flung places the authors of *CULTURAL ANTHROPOLOGY THE HUMAN CHALLENGE* provide a holistic view of anthropology to help you make sense of today's world With this text you will discover the different ways humans face the challenge of existence the connection between biology and culture in the shaping of human beliefs and behavior and the impact of globalization on peoples and cultures around the world

Nurturing the Other Vanessa Grotti, 2022-04-01 Combining archival research oral history and long term ethnography this book studies relations between Amerindians and

outsiders such as American missionaries through a series of contact expeditions that led to the pacification of three native Amazonian groups in Suriname and French Guiana The author examines and contrasts Amerindian and non Amerindian views on this process of social transformation through the lens of the body notions of peacefulness and kinship as well as native warfare and shamanism The book addresses questions of change and continuity and the little explored links between first contacts capture and native conversion to Christianity in contemporary indigenous Amazonia **British Bulletin of Publications on Latin America, the Caribbean, Portugal, and Spain** ,2005 *American Book Publishing Record* ,2003

Book Review Index Cumulation Dana Ferguson,2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year **Forthcoming Books** Rose Arny,2004 *Journal de la Société des américanistes* Société des américanistes de Paris,2008
