Cuckoos Egg Alliance Union Universe:

Defiance C. J. Cherryh, Jane S. Fancher, 2023-10-17 The 22nd book in the beloved *Foreigner* saga continues the adventures of diplomat Bren Cameron as he navigates the tenuous peace he has struck between human refugees and the alien atevi. In the east, outright warfare has tied down the Assassins Guild and that region is in confusion. Ready to hand is an age-old feud in the west where the Master of Ashidama Bay has long hated the Edi people of the north shore and equally hated the Aishidi tat for bringing the Edi to his shores and hatred is a resource the Shadow Guild knows how to use to its advantage. Bren Cameron is tasked with getting Ilisidi the aiji dowager back to the capital alive on an urgent basis. But events are cascading down on the south, the Guild is stretched thin in the east, and the Shadow Guild is within striking distance of critical targets that could bring war to the entire south. Two lives stand in the breach: two lives the Aishidi tat would not willingly risk. Ilisidi and Bren and the Shadow Guild will spend anything and everything to take them out. The *Foreigner* series sets the standard for sci-fi first contact sagas: a smart, probing, engaging sociopolitical narrative from an acknowledged master of the genre.

Cuckoo's Egg C. J. Cherryh, 1985 **Resurgence** C. J. Cherryh, 2020-01-07 Now in mass market, the twentieth book in the beloved *Foreigner* saga returns to the trials of diplomat Bren Cameron as he navigates the tenuous peace he has struck between human refugees and the alien atevi. Bren Cameron, diplomat in residence, usually represents the ruler of the atevi state. But Ilisidi the dowager has been known to borrow his services from time to time, and she has her own notions how to solve the simmering hostilities in the south of the atevi continent, playing one problem against another. This time she is betting the hard-won northern peace and the lives of the people on being right. She has commandeered the Red Train, taken aboard what passengers she chooses, and headed for the snowy roof of the world where a hard scrabble town and its minor lord are the first pieces she intends to use.

Divergence C. J. Cherryh, 2021-09-07 The twenty-first book in the beloved *Foreigner* saga continues the adventures of diplomat Bren Cameron, advisor to the atevi head of state. The overthrow of the atevi head of state, Tabini aiji, and the several moves of enemies even since his restoration have prompted major changes in the Assassins Guild, which has since worked to root out its seditious elements: a clandestine group they call the Shadow Guild. With the Assassins now rid of internal corruption, with the birth of Tabini's second child, and with the appointment of an heir, stability seems to have returned to the atevi world. Humans and atevi share the space station in peaceful cooperation; humans and atevi share the planet as they have for centuries, and the human island enclave is preparing to welcome 5000 human refugees from a remote station now dismantled, and to do that in unprecedented cooperation with the atevi mainland. In general, Bren Cameron, Tabini aiji's personal representative, is returning home to the atevi capital after securing that critical agreement. He was ready to take a well-earned rest until Tabini's grandmother claimed his services on a train trip to the smallest, most remote, and least significant of the provinces, snowy Hasjuran, a move concerning which Tabini aiji gave Bren a private instruction: protect her. Advise her. Advise her, perhaps. As for protection, she

has a trainload of high level Guild But since the aiji dowager has also invited a dangerously independent young warlord Machigi and a young man who may be the heir to Ajuri a key northern province the natural question is why the dowager is taking this ill assorted pair to Hasjuran and what on this earth she may be up to With a Shadow Guild attack on the train station it has become clear that others have questions too Hasjuran on its mountain height overlooks the Marid a district that is part of the atevi nation only in name a district in which Machigi is one major player and where the Shadow Guild retains a major stronghold Protect her Ilisidi is hellbent on settling scores with the Shadow Guild and her reasons for this trip and this company now become clear One human diplomat and his own bodyguard suddenly seem a very small force to defend her from what she is setting in motion **Emergence** C. J. Cherryh, 2019-01-08 The 19th book in Cherryh's beloved Foreigner space opera series begins a new era for diplomat Bren Cameron as he navigates the tenuous peace he has struck between human refugees and the alien atevi The Faded Sun C.
