Emmy, 2007

Affective Feminisms in Digital India Meena T Pillai, 2022-09-29 This book studies digital feminist activism in contemporary India It provides a close and comprehensive

analysis of the postmillennial digital moment in India which has given rise to new modes of women's digital dissent. The volume examines how anti-rape narratives, Feminist scandals, MeToo movements and menstrual activism amongst a host of other performative feminist dissent and their discursive medialities create affective digital feminisms which both break with and continue the residual and emergent practices within feminisms in India. It looks at digital women's speech from India and focuses on vernacular forms of dissent through which the author aims to decolonize feminist imaginaries from their moorings in the West. The author explores new digital cultural and social geographies where politically untamed women use their precarity to unsettle deep sexist structures and mount a gendered critique of the political economy of the nation-state. An important contribution to the study of feminism in India, the volume will be useful for students and researchers of gender and women's studies, cultural studies, digital sociology, intersectional feminism, transnational feminism, digital humanities and South Asian studies. It will also be an appeal to readers interested in the history of women's dissent in India.

Crushing YouTube: How to Start a YouTube Channel, Launch Your YouTube Business and Make Money Joseph Hogue, 2019-06-15. The keys to growing a YouTube channel that took me from zero to 75 000 subscribers in 18 months. If you're serious about starting a YouTube business and want to make money on YouTube, I can show you the way. I've doubled my monthly income by creating a YouTube channel. Thousands of people watch each video and I've built a community that

supports and motivates me every day and that's all in less than two years. Is it Too Late to Start a YouTube Business? I've been developing online businesses since 2012 but was late to the game on YouTube. By the time I started my YouTube channel, people were already saying YouTube is dead. People were saying you couldn't grow on YouTube anymore and that small channels couldn't win in the YouTube algorithm. I'm living proof you CAN start a YouTube business and be successful. I average 3,500 a month on ads alone. June 2019 and another three to four thousand on sponsorships, affiliates, and my own products. In fact, I believe we're just coming into the Age of YouTube with the rollout of 5G and every business owner needs a video presence. A YouTube How To from Someone that's Been There. I've seen the frustration for small YouTubers trying to compete and get views against the million subscriber monsters. I know what it's like to start a channel from nothing. I'll not only show you how to set up your channel to look professional, I'll reveal the secrets even some of the biggest YouTube creators don't know. In this book, you'll learn how to get YouTube video ideas and hack the most popular videos for viral success. Pg 49 Five steps to building a YouTube channel brand that creates an army of supporters. Pg 69 The easy way to record videos even if you don't like to be on camera. Pg 85 Five income streams that guarantee you WILL make money on YouTube. Pg 135 Since starting my YouTube channel, I've consulted and helped other video influencers grow their channels for millions of views. I've helped them find sponsorships and make enough money to quit their day job to make YouTube a full-time business. I can do the same for you with this book. I can show you the way, but YOU have to get started. Scroll back up and click Buy Now to create your YouTube business and start making money on YouTube. **How to Earn from Youtube**

Videos?: My Experience with Youtube Rajamanickam Antonimuthu, 2018-01-23. Everyone needs money for living a comfortable life. The money that you receive as salary for your work has some limitations. For example, you won't receive salary if you stop doing your work and your salary won't be increasing drastically. Doing business will break these limitations. But many businesses involve a lot of investments and risks. So many people are looking for a way to generate passive income without doing much investment. For them, YouTube is a best option.
