Practical Instagram Reels Ideas Ideas For Teens:

Make Something Real: Artwork, 2022 - 2024 Tiffany Gholar, 2025-08-16 Is a life put on hold still a life worth living Torn between wanting to participate in art shows and not wanting to get exposed to COVID I was haunted by the feeling that life was passing me by I felt like I was living my life in captivity missing all its forgone pleasures This wasn't the future I wanted This wasn't the world I wanted to live in I wasn't the woman I wanted to be Being an artist was a leap of faith and I was getting tired of jumping In a world of artifice and denial what still mattered The pursuit of normal at any cost had led to a culture of complacency and resignation warnings unheeded lessons unlearned The aftermath of an ongoing crisis that most of the world deliberately ignored was a time of missed opportunities and impossible choices Just when I needed them the most for publicity the internet platforms I had come to rely on made it harder for my work to be seen as tech disruption left upheaval and destruction in its wake Would my newfound social media sites and online communities help me connect with a new audience or would my participation in them only further tech oligarchs nefarious goals Though making art is my escape this book is also about what I was trying to escape from Finding solace in creating art in a world on the precipice of disaster I have made this book an archive of three years of art grief and grievances **The Teenage Diary** Pehal

Bhandari, 2025-11-04 What happens when you grow up too soon feel too much and try to capture it all in words before you even know what it means The Teenage Diary is a raw and honest collection of poems and stories delicate intense and deeply real From childhood tears and loose shoelaces to high school heartbreaks and sleepless reflections the author explores the emotional journey of growing up in a world that constantly asks for more Through friendships that felt eternal crushes that defied logic quiet struggles at home screen lit pandemic days laughter echoing in classrooms and tears shed in silence this book reveals the beautiful messiness of adolescence in its truest form It's a tribute to the confusion bravery and transformation of a girl who never fit into just one box Written with lyrical sincerity and emotional clarity The Teenage Diary isn't just a coming of age tale it's a confession a heartfelt note and a reminder that the unexpected moments often shape us the most *The Yoga of Parenting* Sarah Ezrin, 2023-06-06 2023 National Parenting Product Award Winner Bring the wisdom of yoga into your parenting journey Mom and yoga teacher Sarah Ezrin offers 34 practices to find more presence

patience and acceptance with your child and with yourself I can say without a doubt that the most advanced yoga I've ever done is raising a child writes Sarah Ezrin While many people think of yoga as poses on a mat The Yoga of Parenting supports people in bringing the spiritual principles of yoga into their lives particularly their families Ezrin a longtime yoga teacher supports readers and practitioners in slowing down becoming present with our children and ourselves and acting with more compassion Each chapter highlights a yogic posture and theme and explores how it relates to parenting including presence boundaries balance and nonattachment Chapters include prompts such as intention setting breathwork and journaling Ezrin also features the stories and insights of a wide range of yoga practitioner parents whose experiences include single parenting

grandparenting and passing on intergenerational yoga traditions In addition to the opening posture each chapter includes Breath Breaks invitations to mindfully breathe On the Mat practices to show us how we can apply the lessons on our yoga mat in a more general sense Parenting in Practice offering and advice from parents in the US and abroad Off the Mat and Into the Family fun exercises to help us bring the work off the mat and into our homes Practicing yoga can help us become kinder to ourselves more aware of our thoughts and actions and more present in our lives What more important sphere to want to become kinder more aware and more present than with our families
