Children and Media Research and Practice during the Crises of 2020 Vikki S. Katz, Bradley J. Bond, 2022-10-20 This unique yearbook captures the extraordinary events and effects of 2020 on children and media scholars and practitioners Contributors reflect on how the compounding crises of 2020 the COVID 19 pandemic international protests for racial justice and the climate crisis have prompted them to re evaluate some aspects of their research teaching or production related to children adolescents and media Crises can be opportunities for clarity revealing creative ways to address collective challenges This volume which began as a special issue of Journal of Children and Media reveals such insights Contributors discuss how the crises of 2020 Prompted them to reconsider theories and concepts central to research on children adolescents and media Fostered new priorities for how and what they teach Spurred creative ways to produce high quality accessible educational media for children globally Affected their media engagement with their own children while they researched children s media use during social distancing Weighed more heavily on scholars and practitioners of color and how professional communities can best respond to those challenges These 36 international contributions reveal how children and media scholars and professionals worked through the crises of 2020 putting newfound clarity to creative use in the service of children all over the world

Teaching Character and Virtue in Schools James Arthur, Kristján Kristjánsson, Tom Harrison, Wouter Sanderson, Daniel Wright, 2016-07-15 Teaching Character and Virtue in Schools addresses the contemporary issues of quantification and measurement in educational settings The authors draw on the research of the Jubilee Centre at the University of Birmingham in order to investigate the concern that the conventional wisdom sound judgement and professional discretion of teachers is being diminished and control mistakenly given over to administrators policymakers and inspectors which in turn is negatively effecting pupils character development The book calls for subject competence to be complemented by practical wisdom and good character in teaching staff It posits that the constituent virtues of good character can be learned and taught that education is an intrinsically moral enterprise and that character education should be intentional organised and reflective The book draws on the Jubilee Centre s expertise in support of its claims and successfully integrates the fields of educational studies psychology sociology philosophy and theology in its examination of contemporary educational practices and their wider effect on society as a whole It offers sample lessons as well as a framework for character education in schools The book encourages the view that character education is about helping students grasp what is ethically important and how to act for the right reasons so that they can become more autonomous and reflective individuals within the framework of a democratic society Particularly interested readers will be educational leaders teachers those undertaking research in the field of education as well as policy analysts with a keen interest in developing the character and good sense of learners today

Fundraising Principles and Practice Adrian Sargeant, Jen Shang, 2017-02-10 The complete guide to fundraising planning tools methods and more Fundraising Principles

and Practice provides a unique resource for students and professionals seeking to deepen their understanding of fundraising in the current nonprofit environment. Based on emerging research drawn from economics, psychology, social psychology, and sociology, this book provides comprehensive analysis of the nonprofit sector. The discussion delves into donor behavior, decision making, social influences, and models, then uses that context to describe today's fundraising methods, tools, and practices. A robust planning framework helps you set objectives, formulate strategies, create a budget, schedule, and monitor activities with in-depth guidance toward assessing and fine-tuning your approach. Coverage includes online fundraising, major gifts, planned giving, direct response, grants, corporate fundraising, and donor retention with an integrated pedagogical approach that facilitates active learning. Case studies and examples illustrate the theory and principles presented, and the companion website offers additional opportunity to deepen your learning and assess your knowledge. Fundraising has become a career specialty, and those who are successful at it are among the most in demand in the nonprofit world. Great fundraisers make an organization's mission possible, and this book covers the essential information you need to help your organization succeed. Adopt an organized approach to fundraising planning. Learn the common behaviors and motivations of donors. Master the tools and practices of nonprofit fundraising. Manage volunteers, monitor progress, evaluate events, and more. Fundraising is the nonprofit's powerhouse. It's the critical component that supports and maintains all activities and forms the foundation of the organization itself. Steady management, clear organization, effective methods, and the most up-to-date tools are vital to the role, and familiarity with donor psychology is essential for using these tools to their utmost capability. Fundraising Principles and Practice provides a comprehensive guide to all aspects of the field with in-depth coverage of today's most effective approaches.
