this I didn't get any value from LinkedIn. That all changed after I spent the time to go through each section adding, editing, and removing until I had a great profile. Within a week, I received an email out of the blue for a ghostwriting project. Richard, I'm looking for a ghost writer with some business and/or IT background. Your profile stood out to me. He was pre-sold on my services, and we quickly signed a contract, and not a small one, to write his new book. Over the following year, by putting the concepts in this book to work, I received dozens of similar queries, and over 50% of them resulted in signed contracts for paying jobs. Optimizing your LinkedIn Profile really works. Buy this Book Now to Understand How to Use LinkedIn. Don't waste another day begging for clients, being unhappy in your career, or not gaining any real leads. Scroll up and hit Buy now.

Become Someone From No One Bhavik Sarkhedi, Sahil Gandhi, 2025-10-29. *Become Someone From No One* is your blueprint to building a powerful personal brand from the ground up. It unpacks the real-world strategies that transform ordinary individuals into memorable names. Through stories, insights, and actionable steps, it reveals how to stand out in a noisy digital world. From self-discovery to storytelling, it guides you in crafting an authentic, influential identity. You'll learn to leverage social media content and consistency to earn credibility and trust. The book breaks complex branding ideas into simple, repeatable habits anyone can master. Whether you're a student, creator, or entrepreneur, this is your roadmap to becoming someone. In a world overflowing with talent, this book shows you how to make your name stand for something unique and unforgettable. It blends psychology, strategy, and storytelling into a practical system for building your personal brand with purpose. Co-authored by Bhavik Sarkhedi, a celebrated entrepreneur, bestselling author, and one of India's leading personal branding voices, the book draws from real-life lessons and years of experience. Bhavik, who has penned multiple acclaimed titles and founded successful creative ventures, brings an insider's perspective on how individuals evolve into influential brands. Joining him is Sahil Gandhi, widely known as the Brand Professor, a visionary in the field of identity creation and human branding. Sahil's expertise lies in simplifying branding into human behavior, turning complex concepts into relatable, result-driven actions. Together, they demystify how personal branding is no longer a luxury; it's a necessity in the modern digital era. The book walks you through how to define who you are, refine how you show up, and design how the world perceives you. From crafting your story to building an authentic digital presence, every chapter provides clarity, direction, and measurable steps. It challenges readers to think differently about influence, reputation, and impact. With real-world examples, exercises, and success frameworks, it helps you move from self-doubt to self-definition. The writing is conversational; the advice is grounded, and the transformation it promises is tangible. It's not just about followers; it's about finding your voice and making it matter. Readers will learn how to build trust, create meaningful connections, and position themselves as thought leaders in their domain. This is not theory; it's a tested path that has shaped entrepreneurs, creators, and professionals into brands people remember. Bhavik and Sahil combine art, strategy, and empathy to turn branding into a human journey, not a marketing one. Whether you're starting from scratch or reinventing yourself, this book equips you to own your narrative with
