Mentoring for Teachers: Online Professional Development Practices Keengwe, Jared, 2012-08-31 A major investment

in professional development is necessary to ensure the fundamental success of instructors in technology integrated classrooms and in online courses. However, while traditional models of professional development rely on face to face instruction, online methods are also gaining traction as viable means for faculty development. Virtual Mentoring for Teachers Online Professional Development Practices offers peer reviewed essays and research reports contributed by an array of scholars and practitioners in the field of instructional technology and online education. It is organized around two primary themes: professional development models for faculty in online environments and understanding e Learning and best practices in teaching and learning in online environments. The objective of this scholarship is to highlight research based online professional development programs and best practices models that have been shown to enhance effective teaching and learning in a variety of environments.

Realising Exemplary Practice-Based Education Joy Higgs, Dale Sheehan, Julie Baldry Currens, Will Letts, Gail M. Jensen, 2013-02-11. For educators, scholars, practitioners and researchers, this book offers an opportunity to explore and engage with practice based education theories and concepts in real life teaching spaces. It is a place to see theory embodied and situated within PBE practices. It is also an opportunity to see how educators and scholars from other disciplines are applying theory to understand teaching and learning in their particular area. This volume provides an opportunity for readers to deepen their understanding of practice based education and broaden and critically appraise their strategies for engaging with practice based education theory. And it provides a means of extending theory and realising new practice based education theory through the lens of exemplary practice. There are three sections in the book: Section 1 Practice based education for life and work; Section 2 Practice based education in action; Section 3 Practice based education realisations.

Practical Virtual Team Building Ideas Ideas For Teachers: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Practical Virtual Team Building Ideas Ideas For Teachers : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
