Market-Oriented Disinformation

Research Carlos Diaz Ruiz,2025-03-25 Market Oriented Disinformation Research explores the spread of false or misleading information online through the lens of marketing theory and consumer research It examines how the business models of digital platforms and advertising technology firms AdTech generate digital markets that incentivize the circulation of harmful content for profit Rather than viewing disinformation and misinformation as accidental byproducts the book proposes that they thrive in the current markets designed for digital advertising and influencer marketing Readers will learn how the amplification of disinformation can be linked to social media s business model Examples include how social media algorithms promote addictive content how fake news sites use ad fraud to lure in advertising revenue and how some content creators rely on clickbait ragebait bots and conspiracy theories to boost their engagement metrics The book is a must read for scholars in journalism media studies and political communication as well as policymakers interested in the democratic governance of social media platforms In addition it calls for digital marketing advertising and brand management professionals to take responsibility for their ad spending by advocating for greater oversight over AdTech intermediaries to prevent unethical actors from monetizing the harmful content that polarizes society and undermines democratic institutions

Things Worth Dying For Charles J. Chaput,2025-10-16 With a balance of wisdom candor and scholarly rigor the beloved archbishop emeritus of Philadelphia takes on life s central questions why are we here and how can we live and die meaningfully In Things Worth Dying For Chaput delves richly into our yearning for God love honor beauty truth and immortality He reflects on our modern appetite for consumption and individualism and offers a penetrating analysis of how we got here and how we can look to our roots and our faith to find purpose each day amid the noise of competing desires Chaput examines the chronic questions of the human heart the idols and false flags we create and the nature of a life of authentic faith He points to our longing to live and die with meaning as the key to our search for God our loyalty to nation and kin our conduct in war and our service to others Ultimately with compelling grace he shows us that the things worth dying for reveal most powerfully the things worth living for
