Valverde, 2012-07-06 This book provides Latino students with a step by step roadmap for navigating the college process from overcoming cultural barriers to attending college to selecting the right school to considering advanced degrees

The Latino community is the fastest growing minority group in America and quickly becoming a major player in America's workforce. Unfortunately, Latinos encounter cultural and societal obstacles that can hinder academic achievement. This inspirational guide gives Latino students practical skills for advancing in a college environment. The Latino Student's Guide to College Success, Second Edition, Revised and Updated, provides a blueprint for collegiate success. The first eight chapters guide students through subjects such as selecting a college, navigating the application process, forming effective study habits, accessing student support services, and planning for advanced degrees. The second part is comprised of eight inspirational stories by Latino graduates sharing their college experiences. Lastly, a third section features a listing of colleges with a record of graduating the most Latinos, as well as a list of the top ten colleges with the most undergraduate Latino students. The revised and updated second edition of this popular book features the latest economic and demographic changes that have emerged since the first edition was published. It also includes six new chapters introducing the impact of technological advancements and changes in cultural trends.

Parenting While PhDing Jackie Hoermann-Elliott, Jenna Morton-Aiken, 2025-07-15 Being a PhD student is not easy. Navigating the highly competitive world of academia while working hard for little or no pay would be stressful for anyone, but it's especially challenging for graduate students who are also parents. Featuring contributions from more than forty current and former graduate students raising children, *Parenting While PhDing* offers valuable advice for students and administrators. Parents will get practical recommendations on both child care and self-care, learning how to form supportive personal and professional networks while establishing a healthy work-life balance. The collection also offers thoughtful suggestions on how to make graduate programs less toxic and more inclusive. Recognizing that not all graduate students have similar backgrounds or needs, *Parenting While PhDing* features a diverse range of viewpoints, including queer, trans, disabled, BIPOC, immigrant, and first-generation college students. The authors represent a variety of disciplines, from the natural and social sciences to the humanities and health care professions. Together, they share fresh perspectives on the experiences of graduate students with children and offer strategies they can use to navigate the dual pressures of the

academy and parenting
