Practice Resurrection Study Guide Eugene H. Peterson,Peter Santucci,2010-05-17 Though bringing people to new birth in Christ through evangelism is essential says Peterson isn t it obvious that growth in Christ is equally essential Yet the American church does not treat Christian growth and character formation with equivalent urgency We are generally uneasy with the quiet obscure conditions in which growth takes place and building maturity in Christ too often gets relegated to footnote status in the text of our lives In Practice Resurrection Peterson brings the voice of Scripture especially Paul s letter to the Ephesians and the voice of the contemporary Christian congregation together to unpack what it means to fully grow up to the stature of Christ Peterson s robust discussion will move readers to restore transformed Christian character to the center of their lives This helpful study guide is designed to enable small groups in schools or churches or even individuals to delve deeper into the timely wisdom of Practice Resurrection A Conversation on Growing Up in Christ Peter Santucci here breaks up Peterson s book into thirteen sessions each of which contains a summary select quotes to consider questions for interaction and a prayer drawn from the text of Ephesians that is covered in the corresponding book chapter **How to Thrive in Professional Practice** Stephen J Mordue,Lisa Watson,Steph Hunter,2025-02-28 This engaging book pulls together the individual strains of self care spirituality and common sense It is a one stop bible to give social workers and other professionals an uncomplicated easy to read resource that empowers them to manage and maintain their well being through personal responsibility and self care The world today is fast paced and societal expectations for impeccable service are high We cannot always alter the demands of our professional or personal lives but by actively pursuing well being we can enhance skills to support open discussion in supervision or in personal reflection so that individuals and organisations can

successfully rise to meet challenges head on and reduce the risks associated with burnout Building on the authors years of personal experience this book Brings together everything professionals need for their own self care through a range of practical activities Gives you tried and tested self care ideas backed by the latest research Allows you as professionals to take a holistic approach to a range of subjects that people usually explore in isolation
