Managing Emerging Risk Kevin D. Burton, 2017-11-15 From Main Street to Mumbai Managing Emerging Risk The Capstone of Preparedness considers the new global drivers behind threats and hazards facing all those tasked with protecting the public and private sector The text delves into the global mindset of public and private sector emergency managers and presents a new risk landscape vastly different from the one existing ten years ago The book begins by presenting a series of fictitious scenarios each resulting in mass destruction and fatalities These are each followed by actual news stories that support the scenarios and demonstrate that the proposed events seemingly unthinkable have the potential to occur Next the author identifies two drivers in the practice of emergency management and general preparedness today that constitute our view of the future and the new face of risk The first is the Disaster Halo Effect the idea that modern threats exhibit more than one event The second is the worldview of our nation as a Market State focused on the trading of goods services and ideas among the nation states The book also reviews the history of preparedness and discusses its relationship with large scale threats establishing that hindsight bias has hurt our ability to plan and respond to the unexpected The chapters that follow explore what is needed to better cultivate design develop and operate emerging management and preparedness thinking in the current environment Each chapter begins with key terms and objectives and ends with thought provoking questions Introducing a new paradigm of thought that takes into account the chief influencers of global threats the book arms emergency and business operations managers with the ammo needed to successfully confront emerging threats in the 21st century

Seven Minutes in Candyland Brian Wasson, 2023-12-12 A debut with razor sharp wit and irresistible charm Get ready to be swept off your feet by this heart stopping rom com that will have you falling head over heels with Wasson's fresh voice Kim Johnson author of This Is My America This multilayered YA rom com about follows Calvin a guy navigating his parents impending separation racial dynamics in his mostly white high school and a side hustle as a relationship therapist who also sells candy to his patients in need one of whom is his crush Sophomore Calvin Shmelton has finally perfected his underground candy selling hustle at school He keeps his prices reasonable his inventory fresh and himself out of the drama But when a heartbroken Sterling Glistern Kal's longtime crush barges into the storage closet where he keeps his candy supply a new source of income unexpectedly presents itself relationship therapist He only meant to help Sterling realize she's dating a jerk and maybe win her over but news spreads fast that Calvin's not just the master of sweets

but hearts too And as the son of two famous therapists he leans into this newfound reputation and the money that comes with it The truth however is that Calvin s parents perfect marriage is crumbling He was supposed to woo the girl of his dreams fix his parents relationship and lend a listening ear to a school full of heartbroken teens But a jealous boyfriend a vengeful competitor and Calvin s own growing ego threaten those plans forcing Kal to rethink all he thought he knew about friendship family and love
