**A Brilliant Idea Every 60 Seconds** Michael Kryton, 2018-10-09 A Brilliant Idea Every 60 Seconds introduces a tested ideation and creative thinking methodology developed over the author's 36 year career as a creative communications professional and ideation expert. This methodology and the associated tools are being applied in personal lives and professional careers helping people connect to their individual way of operating creatively. This how to book on ideation focuses on an individual's creative lens and makes the process of generating ideas highly tangible. It is not simply about techniques; it is also about understanding a context of personal individual creativity which allows individuals to more fully understand and embrace the Brilliant ideation techniques. Most importantly, it is about speed generating ideas right now. The book is comprised of three components: Examining individual creativity, understanding the nature of your individual creative process, exploring how you think and operate creatively; understanding how others think and operate creatively; maximizing the way groups, teams, and think tanks work together creatively and reach their creative potential. The ideation toolkit, understanding the nine Inherent Values, idea triggers, and how they work to generate Idea Strings and Actionable Ideas, the matrix of these Inherent Values, makes the creative process and ideation tangible. Case studies examining over 30 case studies ranging from advertising campaigns and live events to problem solving situations and innovative product development. Teach Solutions, Not Just Skills, For Profit. Outcome-Focused Offers That Convert Ahmed Musa, 2025-05-30

Here's why most courses coaching and content fall flat. They teach skills. But people don't want skills. They want solutions. Teach Solutions Not Just Skills For Profit is the conversion boosting money making shift your brain and business has been waiting for. Forget teaching how to. This book shows you how to deliver hell yes results, the kind that get people talking, buying, and referring like crazy. Inside you'll learn why teaching outcomes beats tutorials every single time. How to package your knowledge into solutions people crave. A dead simple method to position your offer as the answer to their pain. Stories of everyday creators who ditched info dumps and started cashing in on outcomes. This isn't about fluff, funnels, or fame. It's about fixing real problems for real people and getting paid what you're worth. If you've ever wondered why your skills aren't selling, it's because they're not solving. Read this. Shift your focus. And start selling solutions that convert like crazy. **Making**
