TO ALL THE DADS OUT THERE

Thank you

Dads are a source of strength.

Sometimes it's the strength to wrestle three kids at once. Other times, it's the strength to wrestle with one kid's math homework. For all that you do in supporting your family, we thank you and wish you an awesome Father's Day.

We asked the fathers here at LovelySkin to say their favorite thing about being a dad.

Actionable Newsletter Business Ideas Tips For Dads:

Plan C Erin Albert, 2013-02-21 Once upon a time in America the world of work was simpler We were told to go for Plan A Go to a great college since your parents probably didn't get the chance Then go to a professional school medical dental law you pick it Then graduate and get the very best professional job you can Work your dupa off Work 60 hours a week Give 150% even though you don't own anything Become an employee However you're expendable And you're laid off Then we could try Plan B Go through twelve stages of losing job Declare that you'll chuck it all to start your own business to live the dream Work your dupa off Work 120 hours a week Give 250% and you own everything You're an entrepreneur However you're dealing with uncertainty administration and lack of cash flow You're dealing with your beautiful dream and the sometimes ugly reality And you're exhausted frustrated and closed This book is about Plan C Don't chuck the day job keep it Don't chuck the entrepreneurial dream keep that too DO BOTH Work the full time day job and create the entrepreneurial dream on the side You'll be working ALL THE TIME in your head and pretty much in your life It won't be easy But what in life is that IS worth doing This book is about how to live a Plan C life with real interviews from real world Plan Cers redefining the American Dream What are you so passionate about that you would be willing to do it for 10 years without ever making a dime That's what you should do Plan C gives great examples of how this has been successful for others Tony Hsieh NY Times bestselling author of *Delivering Happiness* and CEO of Zappos.com Inc **The American Architect and Building News**

Moore, 2016-12-19 Learn how to develop solutions to handle disasters both large and small Real world scenarios illustrate the importance of disaster response DR planning IT Disaster Response takes a different approach

to IT disaster response plans Rather than focusing on details such as what hardware you should buy or what software you need to have in place the book focuses on the management of a disaster and various management and communication tools you can use before and during a disaster This book examines disasters in general a compilation of lessons the author learned over the course of years working in IT reviewing plane crashes and his experiences as a cave rescuer and cave rescue instructor Although at first it may seem that none of these are really related the truth is they all have elements in common In each case the unexpected has happened Just as not all plane crashes are deadly not all IT mishaps have terrible consequences With the proper training and approach many problems can either be avoided in the first place or better handled if they do arise The book contains practical guidance on How to think about a disaster both before it happens and while it s happening How to apply management skills used in other fields during disasters How to get everyone on board when it comes to planning for and handling disasters How to better deal with smaller more manageable and more frequently occurring disasters What you ll learn Discover the difference between a DR solution and a DR plan Define a disaster it s not always of the scale of a fire burning down the building See when to actually implement your DR plan Who This Book Is For IT professionals in charge of developing their company s disaster recovery plan who also need to raise issues to the required C level people to make sure they have a viable plan

Willard Garvey Maura McEnaney, 2013-10-01 Pulitzer Prize winning journalist Maura McEnaney s fascinating and wide ranging biography of businessman and entrepreneur Willard Garvey is in many ways a history of 20th century America itself Born in Dust Bowl country as a teenager he rode the rails at the height of the Great Depression to work in California s Grapes of Wrath orchards He sailed on the Queen Mary to the European theater of World War II where he was one of the first three American officers into Berlin following its fall and attended the Potsdam Conference A visionary businessman who dreamed of Every man a homeowner Garvey pioneered affordable home ownership in developing countries at a time when few if any knew or cared about the millions living in slums worldwide Despite revolutions coups and Anti American persecution his World Homes provided thousands of families in countries from South America to Asia the opportunity of moving onto and up the economic ladder He hobnobbed with heads of state and captains of industry counting 20th century titans J B Fuqua Robert Galvin and John Templeton as closest friends and confidantes He started a short lived fourth television network and pushed for independent journalism in an era of tightly controlled media He even tried to start a new country Yet despite his far flung operations Garvey was never far from his hometown affairs Organizing and hosting Saturday morning coffee shop gatherings of ordinary concerned citizens inveterate writer of Letters to the Editor crusader against the overreach of government bureaucracy Garvey ceaselessly fought for his fellow man to have the opportunities for success he had enjoyed and that he saw government s growing powers threatening It is perhaps his final biggest achievement that stands as Willard Garvey s legacy Beyond owner operator of the world s largest grain elevator and largest private landowner in Nevada builder of Kansas s tallest building the Epic Center Its slanted copper roof pointed

to the sky it echoes the Kansas state motto that could well serve as his too Ad Astra per Aspera To the stars through difficulties
