Azzarello,2017-02-28 **Move** past the obstacles and implement your new strategy **Move** is your guide to mobilizing your whole organization to take your business forward Whatever your needed transformation may be a new initiative a new market a new product your fresh strategy is up against a powerful foe an organization s tendency to stay very busy and completely engaged what it s already doing This book shows you how to cut through resistance and get your team engaged and proactively doing the new thing Author Patty Azzarello draws on over twenty five years of international business management experience to identify the chronic challenges that keep organizations from decisively executing strategy and to give you a practical game plan for breaking through Leaders tend to assume that stalls in execution are inevitable unchanging parts of the workplace but things can change At the heart of every execution problem is the fact that there simply are not enough people doing what the business needs This guide shows you how to get your entire organization on board remove the fear excuses and hurdles and uphold the new pursuit against distractions and dissent No transformation can succeed without suitable engagement from the whole organization but building engagement can be difficult uncomfortable and tentative This book shows you how to get it done Get your organization to embrace and personally commit to the new work Remove obstacles and passive aggressive attacks that block progress Defend new strategic initiatives against short term pressures to revert to business as usual Sustain momentum and the desire to move forward Make sure no one is ever asking Are we still doing this Inertia isn t just a law of the universe it s a law in the workplace that can be a major obstacle to making things happen The great thing about inertia is that it cuts two ways a body at rest remains at rest but a body in motion remains in motion People love to finish things **Move** shows you how to make successful execution the new norm starting today **Putting Our Differences to Work** Debbe Kennedy,2008-06-18

Putting our differences to work means creating an environment where people naturally unique and different diverse by nature and experience can work more effectively in ways that drive new levels of creativity innovation problem solving leadership and performance in the marketplaces workplaces and communities of the world Debbe Kennedy shows how to make all the dimensions of difference such as thinking styles perspectives experiences work habits and management styles as well as more traditional diversity

considerations like gender race ethnicity physical abilities sexual orientation and age tremendous sources of strength Kennedy draws on the latest research and a wealth of real world examples to offer compelling evidence showing exactly how putting our differences to work accelerates innovation and contribution She identifies five distinctive qualities of leadership that leaders must add to their portfolio of skills to make differences an engine of success And she provides a detailed six stage process for making the most of differences in the workforce combining first person best practice stories and strategic with tactical ideas to help you put each step into action Kennedy has written both a personal and a practical guide that changes the prevailing rules of how to think behave and operate as a leader connecting four diverse elements of business and society that have traditionally been siloed innovation leadership diversity and inclusion She and futurist Joel Barker also look at how new discoveries including Web 2 0 technologies can draw us closer together in previously unimagined ways
