Navigating Organizational Behavior in the Digital Age With AI Özsungur, Fahri,2024-12-05 Artificial

Intelligence AI has evolved from a futuristic concept into a powerful force that is transforming industries and organizations across the globe. The impact of AI on organizational behavior, leadership, talent management, ethics, and strategic decision making is profound, especially within the corporate landscape. As organizations adapt to the digital age, understanding how AI reshapes key areas of management is critical for staying competitive and innovative. *Navigating Organizational Behavior in the Digital Age With AI* provides a comprehensive exploration of AI's integration within organizations, covering its influence on decision making, conflict resolution, performance management, diversity, and ethics. This book offers valuable insights into AI's role in shaping modern work environments, enhancing talent acquisition, and driving inclusive workplaces. It serves as a vital resource for academics, researchers, corporate leaders, HR professionals, and policymakers seeking to understand AI's broader impact on organizational practices and its implications for the future of work. **The WEALTHTECH Book**

Susanne Chishti, Thomas Puschmann, 2018-07-23. Get a handle on disruption, innovation, and opportunity in investment technology. The digital evolution is enabling the creation of sophisticated software solutions that make money management more accessible, affordable, and eponymous. Full automation is attractive to investors at an early stage of wealth accumulation, but hybrid models are of interest to investors who control larger amounts of wealth, particularly those who have enough wealth to be able to efficiently diversify their holdings. Investors can now outperform their benchmarks more easily using the latest tech tools. *The WEALTHTECH Book* is the only comprehensive guide of its kind to the disruption, innovation, and opportunity in technology in the investment management sector. It is an invaluable source of information for entrepreneurs, innovators, investors, insurers, analysts, and consultants working in or interested in investing in this space. Explains how the wealth management sector is being affected by competition from low-cost robo-advisors. Explores technology and start-up company disruption and how to delight customers while managing their assets. Explains how to achieve better returns using the latest fintech innovation. Includes inspirational success stories and new business models. Details overall market dynamics. *The WealthTech Book* is essential reading for investment and fund managers, asset allocators, family offices, hedge, venture capital, and private equity funds, and entrepreneurs and start-ups. [How the Future Works](#) Brian Elliott, Sheela

Subramanian, Helen Kupp, 2022-04-21. Wall Street Journal Publishers Weekly and USA Today Bestseller. Unlock the power of flexible work with this practical how-to guide from the leadership of Slack and Future Forum. The way we work has changed. The era of toiling from nine to five five days a week in the office is now a relic of the past and is being replaced by a better way: flexible work. But flexibility means a lot more than a day or two a week to work from home. 93% of your employees want more flexibility in when, not just where, they work. They want choice, and they are leaving their roles to find it. The most successful leaders will go much further than offering occasional remote workdays; they will redesign every aspect of how work gets done, from defining how they measure organizational success to training their managers to make it happen. *How the Future Works: Leading Flexible Teams to Do The Best Work of Their Lives* offers a blueprint for using flexible work to

unlock the potential of your people The book offers the steps necessary to building the new principles and guardrails to empower flexible high performing teams And it teaches readers to lead with purpose to manage and measure differently and to believe that by letting go they ll get more back than they thought possible How the Future Works explains how to Establish leadership principles commitments and outcomes for truly flexible teamwork Measure and assess productivity in a flexible workplace Reskill managers to ensure a level playing field for all employees Implement the infrastructure necessary to make flexible work successful Using original research from Future Forum a consortium by Slack and global case studies from leading companies such as Levi Strauss Co Genentech Royal Bank of Canada and IBM How the Future Works offers concrete solutions and practical steps for building high functioning teams of talented engaged people by providing them with the flexibility and choice they need to do their best work
