*Blogging* Lori Reyes, 2017-03-23 Blogging is fun when it's done right In order to do it right you want to make sure that you avoid common mistakes made by bloggers You won't be able to avoid every mistake but if you have a good idea of what you should avoid then you are less likely to make too many mistakes as a beginner Blogging is a great way to express yourself and discuss topics that are important to you and your life Below you will find information on what to avoid and what to focus on in the blogging world Identify your topics and find out what interests you If you do this ahead of time you will be able to identify where you want to start with your blogs instead of just writing about anything that pops into your head Read The more you read the more you know The more you know the more you'll have to write Use reading to find new information to blog about and to find yourself Don't take it too seriously Don't look at blogging as your new career Look at it as something fun you want to do and something that is more of a hobby than anything else Avoiding some of these mistakes will help you to be the best blogger you can be Have fun with your blogs and know that it's ok to make mistakes Learn from them and they will help you grow Get your copy of *Blogging* by scrolling up and clicking Buy Now With 1 Click button

*How to Land a Top-Paying Bloggers Job* Brian Gordon, 2012-04-01 For the first time a book exists that compiles all the information candidates need to apply for their first Bloggers job or to apply for a better job What you'll find especially helpful are the worksheets It is so much easier to write about a work experience using these outlines It ensures that the narrative will follow a logical structure and reminds you not to leave out the most important points With this book you'll be able to revise your application into a much stronger document be much better prepared and a step ahead for the next opportunity The book comes filled with useful cheat sheets It helps you get your career organized in a tidy presentable fashion It also will inspire you to produce some attention grabbing cover letters that convey your skills persuasively and attractively in your application packets After studying it too you'll be prepared for interviews or you will be after you conducted the practice sessions where someone sits and asks you potential questions It makes you think on your feet This book makes a world of

difference in helping you stay away from vague and long winded answers and you will be finally able to connect with prospective employers including the one that will actually hire you This book successfully challenges conventional job search wisdom and doesn't load you with useful but obvious suggestions don't forget to wear a nice suit to your interview for example Instead it deliberately challenges conventional job search wisdom and in so doing offers radical but inspired suggestions for success Think that companies approach hiring with common sense logic and good business acumen and consistency Think that the most qualified candidate gets the job Think again Time and again it is proven that finding a job is a highly subjective business filled with innumerable variables The triumphant jobseeker is the one who not only recognizes these inconsistencies and but also uses them to his advantage Not sure how to do this Don't worry How to Land a Top Paying Bloggers Job guides the way Highly recommended to any harried Bloggers jobseeker whether you want to work for the government or a company You'll plan on using it again in your efforts to move up in the world for an even better position down the road This book offers excellent insightful advice for everyone from entry level to senior professionals None of the other such career guides compare with this one It stands out because it 1 explains how the people doing the hiring think so that you can win them over on paper and then in your interview 2 has an engaging reader friendly style 3 explains every step of the job hunting process from little known ways for finding openings to getting ahead on the job This book covers everything Whether you are trying to get your first Bloggers Job or move up in the system get this book
