Managerial Communication Jennifer R. Veltsos, Geraldine E. Hynes, 2024-08-22 Managerial Communication focuses on communication skills and strategies that managers need to be successful in today's workplace. Known for its holistic overview of communication and focus on managerial competencies, it continues to be the market leader in the field. The Ninth Edition provides coverage of current topics like managing hybrid and virtual teams, ChatGPT and artificial intelligence, and empathic listening. [AI for Everyday People](#), 2025-09-07 Curious about Artificial Intelligence but not sure where to begin? Feeling like everyone is talking about AI while you're still on the sidelines? You're not alone! Whether you're a professional in your 40s wondering how AI might impact your career or a student from a smaller city eager to stay ahead in a fast-changing world, this book is your friendly first step into the world of AI. In *AI for Everyday People*, you'll discover a What AI really is explained in plain, jargon-free language. b How AI is already part of your daily life even if you haven't noticed. c Practical ways to use AI right now, from boosting productivity at work to studying smarter, writing emails faster, organizing tasks, and even creating blogs or social media posts. d Step-by-step guidance to go from complete beginner to confident user. e Real-life stories of how everyday people just like you are using AI to make life easier. This is not a book for tech experts. It's for everyday people: professionals, students, small business owners, anyone who wants to understand and use AI without feeling overwhelmed. By the end of this book, you'll have the clarity, confidence, and skills to make AI work for you, whether in your job, your studies, or your daily life. The AI revolution is just beginning. With this book, you won't just catch up; you'll thrive. **The Promise of This Book** By the time you finish reading, you'll move from Confusion (feeling left out of the AI conversation) to Confidence (knowing how to use AI in your work, studies, and personal life). You'll learn what AI really is and isn't, discover simple ways to make it your assistant, and build the habits that will keep you future-ready without overwhelm. This isn't a book for tech experts. It's for everyday people: professionals in their 40s who think they are left behind, students who want to start with AI, small business owners, startups, an aspiring founder, parents to help their kids in study, etc., and anyone curious about how AI can help them. **A Gentle Invitation** Think of this book as your first step into a bigger world. Together, we'll take AI out of the headlines and put it into your hands as a tool you can trust, use, and grow with. So let's begin! The AI era isn't something to fear. It's something to embrace. And you're right on time.
