Quick Hybrid Work Schedule Tips For Us Audience:

Communications Guide for Startups Lydia Prexl, 2022-11-28 Turning communication into your start up's biggest asset. Nine out of ten startups fail. One cause of failure is bad communication both externally and internally. Yet there is little systematic advice on how startups and scale ups can overcome this challenge and inspire all stakeholders around the company's vision, values and offerings. This book closes this gap with seventy experts sharing their learnings and experiences. It is a guide for all curious to learn more about how to win customers, investors and new talent through a convincing narrative covering external, internal, social media and leadership communication.

Mobility and Identity in US Genre Painting Lacey Baradel, 2020-12-30 This book examines the portrayal of themes of boundary crossing, itinerancy, relocation and displacement in US genre paintings during the second half of the long nineteenth century c. 1860-1910. Through four diachronic case studies, the book reveals how the high stakes politics of mobility and identity during this period informed the production and reception of works of art by Eastman Johnson 1824-1906, Enoch Wood Perry Jr 1831-1915, Thomas Hovenden 1840-95 and John Sloan 1871-1951. It also complicates art history's canonical understandings of genre painting as a category that seeks to reinforce social hierarchies and emphasize more rooted connections to place by instead privileging portrayals of social flux and geographic instability. The book will be of interest to scholars working in art history, literature, American studies and cultural geography.
