**DIGITAL MARKETING ESSENTIALS A Practical Guide for Modern Marketers** Dr. Soni Kumari, The digital era has revolutionized how businesses connect, communicate and create value for their customers. Marketing, once confined to print, radio and television, has undergone a profound transformation with the advent of the internet and social media. Today, the marketer's toolkit is redefined by data analytics, search engine optimization, social media engagement and automation tools that make interactions faster, smarter and measurable. *Digital Marketing Essentials: A Practical Guide for Modern Marketers* has been conceptualized and designed to serve as a comprehensive academic and practical reference for learners, educators and professionals navigating this dynamic digital landscape. This book systematically explores the foundations and applications of digital marketing through a structured, learner-centric approach. It covers essential areas such as Search Engine Optimization (SEO), Search Engine Marketing (SEM), Social Media Marketing, Content Strategy, Email Campaigns and Digital Analytics, supported by real-world case studies, visual frameworks and actionable insights. Each unit aims to bridge the gap between theory and practice, ensuring that readers not only understand digital concepts but can also apply them effectively in professional scenarios. In developing this work, the emphasis has been placed on clarity, relevance and applicability. The chapters are aligned with the evolving academic curriculum and industry expectations, integrating conceptual understanding with hands-on tools used by modern marketers. The inclusion of 'Check Your Progress' sections, practical examples and curated references further enhances the reader's engagement and comprehension. The author extends heartfelt gratitude to colleagues, mentors, students and professionals who contributed their insights and feedback during the development of this book. Their encouragement and critical perspectives have played a vital role in refining the content. Special thanks are due to the Institute of Management Studies, Ranchi University, for fostering an environment that promotes academic excellence and innovation. It is hoped that this book will serve as a valuable guide for students, educators and marketing practitioners seeking to master the evolving dimensions of digital marketing. In a world where technology continues to reshape communication and commerce, the knowledge contained within these pages aspires to equip readers with both the strategic thinking and practical skills necessary to thrive as future-ready marketers. Dr. Soni Kumari, Assistant Professor, Institute of Management Studies, Ranchi University.

**Rethinking the Social and Economic Value of Children in the Digital Age** Hatice Işık, Sebihat Tofan, Mehmet Hakan Türkçapar, 2025-11-14. In a world shaped by likes, followers and algorithms, what does it mean to be a child and what does it mean to raise one? This book explores how the meaning and value of children have shifted in the digital era, where visibility often replaces intimacy and childhood unfolds not just at home but also on screens. Drawing on developmental psychology, sociology and media studies, it examines how everyday parenting has merged with content creation. It also

explores how children who were once valued primarily for their emotional closeness are now increasingly seen as sources of social capital and digital assets From kidfluencers to sharenting from digital play to parenting anxiety this book unpacks how modern technologies and cultural norms have redefined what it means to raise a child Building on i dem Ka t ba s influential Value of Children model the book reveals a striking paradox In the past societies gradually shifted from valuing children for their economic contributions to appreciating them for their psychological and emotional significance However in today s digital world social and economic value have returned to the forefront now shaped by screens platforms and performative visibility Rather than offering prescriptive advice the book invites deeper reflection What happens when childhood becomes a brand What are the consequences when love is shared not just in private but for public engagement With clear language and real life examples this book offers a thought provoking guide for parents educators and researchers as they try to understand and respond to the ethical emotional and developmental challenges of growing up online
