potential primary or even part time shopper is hard to embrace as it was decades ago when companies shied away from the thought of a woman becoming the primary breadwinner The success of women in corporate America alone should indicate the reason for a change in a company or advertiser's marketing strategy DADLY Dollars will introduce companies and advertisers to a new untapped consumer dads It will also teach them how to reach and connect with dads market to dads capitalize on their purchasing power and how marketing to dads will increase their revenue profit and brand loyalty In addition it will also show a company the overall benefits to the economy families and communities Smart Dads Paul Lewis, 1994 Lewis a founding member of the National Center for Fathering explores the five fundamentals every father needs to know to become a successful dad understanding a father's significance acting intentionally using networks communicating clearly and maximizing time with his children **The Dad's Edge** Larry Hagner, 2015-09-29 If you could improve one area in your dad journey what would it be What would it be like if you mastered not one but several aspects of your dad journey all at once What would life be like if you improved your level of patience had better and deeper connections with your wife and kids improved your relationships outside the immediate family and all while mastering a good work life balance How would life be different if you did this Hello I m Larry Hagner and I m a dad I love being a dad And I believe that being a dad is one of the most rewarding aspects of a man s life However being a father can humble you like nothing else can There really is no roadmap With so few resources out there for dads like us I decided to create The Dad Edge to help YOU as a dad to give you easy to implement techniques you can use to be your very best and enjoy your journey of fatherhood The Dad's Edge will help you Master work life balance Discover three techniques to improve and maintain a great connection with your kids Improve your connection intimacy with your spouse no matter how busy you are Improve your relationships outside the immediately family Uncover three easy ways to improve your patience short term and long term Discover simple ways to show up big for your kids and be present in the moment Thrive Not Survive your journey of fatherhoodIf you can identify with one or more of these issues I understand first hand Every one of us struggles with these issues on our dad journey and now I ve empowered you with some great strategies and a solid roadmap in The Dad s Edge so you can relax and feel confident you are good dad focused and nothing will stand in your way 10 Things Great Dads Do Rick Johnson, 2015-09-15 Great dads raise great kids who tend to be happier healthier and more successful in life But men sometimes struggle with how to go about being that great dad especially if their own fathers were not positive role models Fathering expert Rick Johnson offers men ten practical strategies to become the dads they want to be He helps dads help their kids find the humor in life surround their family with healthy friends and role models communicate clearly with their children brand their families with memorable sayings and traditions help their kids develop self esteem and respect for others be a gatekeeper when it comes to their kids social circle and set reachable goals for themselves and their children Every father can be a great dad This clear and to the point book gives them the tools they need to do it well The Daddy
