Must Know Home Office Setup Tips For Teachers:

The Early Years Teacher's Book Leonie Abrahamson, 2018-02-26 This book guides you through what you need to know about Early Years Teacher Status step by step. It explains how you can work to meet each of the Standards and assessment requirements. The author addresses trainees' common concerns about early years practice and study skills and meeting EYTS requirements and gives many examples of the strategies that trainees found most helpful. Each chapter explores each aspect of every Standard and indicator with notes on theory, practical tips, case studies, activities and suggestions for further reading. This book helps you to understand all aspects of each Standard and indicator, link your practice to the Standards, understand the assessment requirements and how to strengthen your evidence plan and track your evidence, complete your written assignments and create your portfolio with confidence, develop the skills needed to take on a leadership role. This Second Edition has been updated to include new guidance on Standard 7 around the Prevent Agenda and the work of Channel. The text is also updated to include information on the Integrated review at age 2. **Adjusting the Sails** Donya Ball, 2022-05-09 Educational leadership is full of challenging experiences, humiliating disappointments and mind-boggling changes that can send the best leader into a tailspin. In her book *Weathering the Storms of Administrative Leadership*, Dr Donya Ball helps administrators learn to face these challenges with grace and poise. Whether just beginning their journey or well along the path of leadership, administrators will learn to admit mistakes, develop communication skills, pivot during disaster and crisis situations and build a branding strategy to present themselves effectively to the watching world. This book will be your guide as you embark into a difficult leadership world for which there is often no roadmap. The relatable anecdotes and practical guidance will help you weather the storms and adjust your sails to navigate the ever-changing tides of the educational world.

Organizational Communication and Technology in the Time of Coronavirus Larry D. Browning, Jan-Oddvar Sørnes, Peer Jacob Svenkerud, 2022-06-14 The pandemic has created a crisis that has no equivalent in recent history, leading to a wide range of disruption across various social strata, highlighting and reinforcing inequality and leading to profound organizational shifts. In this book, organizational communication scholars grapple with the implications of the pandemic for work and organizations, examining the immediate impact on their personal lives in an ethnographic narrative but also theorising what the long-term implications of COVID-19 will be. The book also explores the devastating impact of the virus on healthcare workers, on BIPOC entrepreneurs and on people in developing economies. A timely, innovative work, this book will appeal to academics studying organizational communication, organizational responses to crisis, ethnographies and alternative research methods. Managing Anxiety in School Settings Anna Duvall, Crissy Roddy, 2020-11-16 *Managing Anxiety in School Settings* dives into the growing topic of anxiety and its implications on students' emotional and academic wellbeing, providing key insights into how to enable students to be successful inside and outside of the classroom.
