Interest This is really the secret sauce as Instagram is paying attention and will serve content that it believes the user will be interested in Relationships Instagram knows what photos users tag and where they comment So if a user has interacted in some way with certain brands in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company's registered headquarters location must be located in one of the Instagram approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing we will not be providing a deep dive of the Instagram Shopping capability Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book *Personal Branding Strategies* Gary Clyne, 2019-07-09 If you want to learn how you can build a HUGE personal brand in the modern digital age then keep reading Do you want to learn how to grow a HUGE and authentic Social Media following Do you want to learn the secrets to providing huge value and monetizing your audience Do you want to learn how to stand out and become an authority in your niche As you are someone who is reading this I'm guessing you answered yes to one of those questions Unfortunately many resources overcomplicate the whole process leaving you confused and without a blueprint to Personal Branding success Luckily for you this is what this book is all about Inside you will discover the EXACT practical blueprint to growing maintaining and sustaining your Personal Brand on an array of Social Media What is often overlooked is the different strategies you need to optimize your presence on ALL Social Media and what are the most important for your situation For example we go over Simple and Proven strategies for growing your Instagram Facebook YouTube and Twitter as well as for the most overlooked websites you probably haven't considered No matter your niche you can become an authority figure and DOMINATE for years to come Here is just a slither of what you will discover inside The 10 Golden Rules of Personal Branding How to gain more followers by spending less on ads Think you need millions of followers to have a successful personal brand Think again Stop wasting time trying to build a following using sly tactics do THIS instead What successful influencers know about monetizing their audience that you don't How unemployed teenagers are building HUGE Instagram accounts and getting rich The most overlooked Social Media platform to build your Personal Brand The ESSENTIAL steps to profitable Facebook Ads The best ways to monetize your following without selling your soul to the devil
