LinkedIn Branding Mastery is your guide to harnessing the full gamut of LinkedIn's features transforming your online presence into a powerful professional beacon      **Online Personal Brand** Ryan M. Frischmann, 2014-07-19 Online personal branding is a requirement for all professionals The common argument of the experts is you have a digital footprint in social media and on the internet so people are already making impressions of you Take control of their perceptions More importantly you have an opportunity to proactively project your personal brand onto networks Two other advantages of personal branding are that it forces you to be visionary of your career goals and helps you land favorable employment This book shares a functional angle to personal branding that is refreshingly simpler than the traditional marketing angle The definition of an online personal brand is the combination of a skill set an aura and an identity and there is discussion where the concepts overlap      Building Brand You! Omar Abedin, 2015-07-07 The world today is struggling with the Personal Brand Paradox On the one hand growing competition at a global level is making it increasingly difficult for people to make enough money to support the lifestyle that more and more of us aspire for On the other hand social media and the Internet are giving us all the opportunity to experience global fame In fact the millennial generation that has grown up with the Internet as a fact of life now expects that they will at some point get their fifteen minutes of fame So how do you resolve this clash between an unstoppable force and an immovable object Building Brand YOU casts light on what many consider to be the black art and science that is branding and marketing and its practical application to building your personal brand The tools and methods described in the book are used by millions of marketers around the world to build the brands they manage on a daily basis Now you can apply these trusted techniques to truly differentiate yourself and if done well it is nothing short of magical
