Quick Remote Work Productivity For Beginners With Low Investment:

Management Communication James S. O'Rourke, 2023-03-30 This new edition of *Management Communication* is a case based textbook that introduces students to the strategic communication methods that are crucial to master in order for them to develop into effective and ethical managers at all levels of business. Effective communication skills are necessary for success in the business world and James O'Rourke has written a highly readable book filled with anecdotes and examples to engage students in the learning process. This seventh edition includes both classic and new features. The strategic approach is integrated throughout the book allowing students to understand how a communicated message affects the business as a whole. New case studies provide students with hands on experience of scenarios they will encounter in the real world looking at global companies such as Facebook and Nike. Further updates include new content on technology, corporate culture and disinformation. An ethical thread is woven through the text demonstrating how ethical decision making can be applied in all aspects of communication. Chapters on intercultural communication, nonverbal communication and conflict management provide students with the skills to build relationships and influence stakeholders, key skills for any manager. This text will provide students with a well rounded understanding of management communication and the support material ensures it serves as a complete resource for instructors.

Remote Work, Internal Marketing and Human Resource Management Teena Mishra, 2024-12-02 Remote working is a developing idea that many organizations are embracing especially in light of COVID 19 and the rise in demand for remote and hybrid roles. As there is no standard model to use for implementation a number of problems and difficulties develop as popularity increases and hybrid working environments become normalized. This book presents the views, opinions and reality of remote work and creating an appropriate internal marketing culture in a remote environment. The key topics explored are the significance of remote work, remote work practice, reshaping the work environment, designing remote work models, remote work challenges, remote work facing business organizations, remote work management innovations and technology, the role of motivation and satisfaction in organizational development, employee empowerment in a remote setting, transparency and commitment for sustainable development and the future of remote work. This research volume will be of value to researchers, academicians, practitioners and students in the fields of human resource management, organizational studies and innovation management.
