Quick Remote Work Productivity With Low Investment:

Remote Work, Internal Marketing and Human Resource Management Teena Mishra, 2024-12-02 Remote working is a developing idea that many organizations are embracing especially in light of COVID 19 and the rise in demand for remote and hybrid roles. As there is no standard model to use for implementation, a number of problems and difficulties develop as popularity increases and hybrid working environments become normalized. This book presents the views, opinions, and reality of remote work and creating an appropriate internal marketing culture in a remote environment. The key topics explored are the significance of remote work, remote work practice, reshaping the work environment, designing remote work models, remote work challenges, remote work facing business organizations, remote work management innovations and technology, the role of motivation and satisfaction in organizational development, employee empowerment in a remote setting, transparency and commitment for sustainable development, and the future of remote work. This research volume will be of value to researchers, academicians, practitioners, and students in the fields of human resource management, organizational studies, and innovation management. *Smart and Sustainable Solutions: Global Perspectives on Computer Science and Business Management* Prof. (Dr.) Ajay Sharma, Mr. Kapil Saini, Dr. Neeraj Rana, Prof. (Dr.) Vivek Rastogi, Dr. Poonam, 2025-04-21 *Research Anthology on Digital Transformation, Organizational Change, and the Impact of Remote Work* Management Association, Information Resources, 2020-10-30 As the use of remote work has recently skyrocketed, digital transformation within the workplace has gone under a microscope, and it has become abundantly clear that the incorporation of new technologies in the workplace is the future of business. These technologies keep businesses up to date with their capabilities to perform remote work and make processes more efficient and effective than ever before. In understanding digital transformation in the workplace, there needs to be advanced research on technology, organizational change, and the impacts of remote work on the business, the employees, and day-to-day work practices. This advancement to a digital work culture and remote work is rapidly undergoing major advancements, and research is needed to keep up with both the positives and negatives to this transformation. The *Research Anthology on Digital Transformation, Organizational Change, and the Impact of Remote Work* contains hand-selected previously published research that explores the impacts of remote work on business workplaces while also focusing on digital transformation for improving the efficiency of work. While highlighting work technologies, digital practices, business management, organizational change, and the effects of remote work on employees, this book is an all-encompassing research work intended for managers, business owners, IT specialists, executives, practitioners, stakeholders, researchers, academicians, and students interested in how digital transformation and remote work are affecting workplaces. *Master Budget Itineraries: Ultimate Summer Travel Hacks for Smart Savings* Jade Summers, Are you dreaming of a summer getaway but worried about the cost? *Master Budget Itineraries: Ultimate Summer Travel Hacks for Smart Savings* is your essential guide to traveling smarter, not harder.
