Feeling lost in the hybrid work maze? Struggling to keep up with the rapid pace at which AI is developing? Still shaken from the dramatic changes that the COVID-19 pandemic wrought? You are not alone. The modern workplace is a blend of the digital and the physical, with employers and employees seeking a way to balance the two. Written as much for organisational leaders and workplace enhancement consultants as it is for employees, this book is loaded with practical advice. There are tips on, among other things, how to seamlessly navigate the hybrid world, how to embrace AI as a helpful ally, and how to make the workplace experience your own.
