Mobility for Smart Cities and Regional Development - Challenges for Higher Education Michael E. Auer, Hanno Hortsch, Oliver Michler, Thomas Köhler, 2022-01-27 This book presents recent research on interactive collaborative learning We are currently witnessing a significant transformation in the development of education and especially post secondary education To face these challenges higher education has to find innovative ways to quickly respond to these new needs On the one hand there is a pressure by the new situation in regard to the COVID pandemic On the other hand the methods and

organizational forms of teaching and learning at higher educational institutions have changed rapidly in recent months. Scientifically based statements as well as excellent experiences best practice are absolutely necessary. These were the aims connected with the 24th International Conference on Interactive Collaborative Learning ICL2021 which was held online by Technische Universität Dresden, Germany, on 22-24 September 2021. Since its beginning in 1998, this conference is devoted to new approaches in learning with a focus on collaborative learning in Higher Education. Nowadays, the ICL conferences are a forum of the exchange of relevant trends and research results as well as the presentation of practical experiences in Learning and Engineering Pedagogy. In this way, we try to bridge the gap between pure scientific research and the everyday work of educators. This book contains papers in the fields of Teaching Best Practices, Research in Engineering Pedagogy, Engineering Pedagogy Education, Entrepreneurship in Engineering Education, Project Based Learning, Virtual and Augmented Learning, Immersive Learning in Healthcare and Medical Education. Interested readership includes policymakers, academics, educators, researchers in pedagogy and learning theory, schoolteachers, learning industry, further and continuing education lecturers, etc.

The Art of Agile Development James Shore, Shane Warden, 2021-10-12. Most companies developing software employ something they call Agile. But there's widespread misunderstanding of what Agile is and how to use it. If you want to improve your software development team's agility, this comprehensive guidebook's clear, concrete, and detailed guidance explains what to do and why and when to make trade-offs. In this thorough update of the classic *Agile*, how to guide James Shore provides no nonsense advice on Agile adoption, planning, development, delivery, and management, taken from over two decades of Agile experience. He brings the latest ideas from Extreme Programming, Scrum, Lean, DevOps, and more into a cohesive whole. Learn how to successfully bring Agile development to your team and organization or discover why Agile might not be for you. This book explains how to improve agility, create the conditions necessary for Agile to succeed and scale in your organization. Focus on value, work as a team, understand priorities, provide visibility, and improve continuously. Deliver software reliably, share ownership, decrease development costs, evolve designs, and deploy continuously. Optimize value, take ownership of product plans, budgets, and experiments, and produce market-leading software.

Big Book of Virtual Teambuilding Games: Quick, Effective

Activities to Build Communication, Trust and Collaboration from Anywhere! Mary Scannell, Michael Abrams, Mike Mulvihill, 2011-12-16 Get remote team members to interact as if they're in the same room. Whether you're videoconferencing with team members across the world or emailing a colleague sitting ten feet away, the truth is evident: technology has permanently altered the way we communicate. The virtual workplace can facilitate quicker decision making and reduced overhead. But the lack of face-to-face interaction can also impede trust, innovation, and creativity among team members. The *Big Book of Virtual Team Building Games* is packed with games and activities for developing productive virtual teams across all digital platforms including email, mobile devices, web-based conferencing tools, and social media sites such as Facebook, Twitter, and Skype. The *Big Book of Virtual Team Building Games* helps you build a greater sense of community and reduce conflict. Increase levels of engagement. Get the most out of more introverted team members. Boost team members' productivity. Make sure that the only thing separating your people is distance. The *Big Book of Virtual Team Building Games* is just the tool you need to develop trusting relationships, foster clear communication, and use technology to enhance the team's connections.

75+Team Building Activities for Remote Teams Christopher Littlefield, 2020-10-03 This book is for leaders committed to building a great remote team culture but who don't have time or know where to start. Whether you're new to remote work or have been working remotely for years, there's enough on your plate already without thinking about how to connect with and engage your team. I wrote this book to do just that and take one thing off your to-do list. The book is intentionally short, low on reading and high on actions. It's organized in such a way that you can open it five minutes before your meeting to grab a quick game or sit down to plan a longer virtual team retreat. In the first few pages, you will find a Quick Reference Guide to help you find exactly what you need. You will have access to 75 activity ideas and hundreds of questions to help make your remote meetings one-on-ones and day-to-day virtual interactions more engaging. Beyond games, you will find team reflection activities, stay conversation questions, a unique end-of-the-year team celebration idea, and more. You will also find simple ways to virtually learn, stay healthy, and celebrate together as a team. The only thing you need to do is take action. Free Bonuses: When you purchase this book, you will gain access to copies of the following free handouts and downloads: 75 Team Building Activities Quick Reference Guide, A printable quick reference of the book to keep on your desk with reminders of key concepts, sample meeting agendas, and more. Know Your People Form, A form to track all the information you should know about your people. COVID-19 Resources, Questions to help you understand what your people are facing each day, a list of five things that should be on every virtual meeting agenda, and tips to help your team consciously transition back to work when the time comes. One Year Subscription to the Beyond Thank You Remote Team Nudge. When you download the free bonus, you will have the opportunity to sign up for the Beyond Thank You Remote Team Nudge. Every two weeks, I will send out activities, meeting prompts, and other ideas from this book directly to your email, a little nudge to remind you to take action. If these are unhelpful, you can unsubscribe any time.
