Dennis Chambers,2007-12-30 Entrepreneurs and entrepreneurial companies live or die by the quality of their plans and proposals Whether it's to get funding for a new product line or business from a client writing hard hitting prose that answers essential questions and makes specific requests is an indispensable skill Entrepreneur ad man and writing teacher Dennis Chambers shows how entrepreneurs can persuade people through skillful writing to pony up capital or contracts This ability which can be learned is rare in today's media saturated world But it counts more than ever if an entrepreneur wants to make it over the magical five year hump and on into lasting business success Numerous examples and exercises ensure that entrepreneurs understand how the writing game is played and that they play it well Unfortunately most don't play this game well Most business writers mistakenly believe their task is to inform They write to fill an information gap or to update the reader on a particular project Or they write about what's important to them What these writers do not take into account is that the speed of today's work world has reached overdrive The typical reader simply doesn't have time to ponder dense poorly organized information and intuit the appropriate action And readers don't give a hoot about what's

important to the writer they want to know what's in it for themselves Business writers need to use all the tools at their command to persuade, inspire action and in general move a project forward This book is about how to be persuasive in two key skills in business writing proposals and writing business plans Step by step Dennis Chambers illustrates the techniques of effective business writing with numerous examples throughout Whether the objective is to secure financing from an investor lay out a marketing strategy or secure a large contract getting results requires crafting an effective structure for the proposal and using words that sell Chambers is an able guide in saving entrepreneurs time and undue effort while reaching the goal of long term business success FT Essential Guide to Leading Your Team Graham Yemm, 2012-12-14 The tools and ideas to help you lead with confidence and achieve better results through your team This book provides all the tools and skills to help you be more effective in leading your team and achieving higher levels of performance It focuses on three key elements you as the leader the principles of team working and team building and getting individuals to contribute and perform As well as identifying obstacles and pitfalls it assists you in improving your skills and coaches you to work out what you could be doing better **Ultimate Guide to Platform Building** Wendy Keller, 2016-10-17 Your business relies on you for its survival and its life blood is sales Building a robust platform is the most effective and sustainable way to attract prospects and convert them into customers Literary agent and expert platform consultant Wendy Keller shares the secrets behind how to select the right promotion strategies for your business market your products and services develop an enthusiastic customer base and ultimately create a strong platform that distinguishes your business from the rest all without spending a fortune Keller provides you with platform building methods that are practical proven and easily implemented by anyone this book helps build your brand perception to Develop content that converts fans into customers Create a platform strategy that multiplies your marketing efforts overnight Showcase your brand product or company and attract new opportunities **The Big Book of Team Coaching Games: Quick, Effective Activities to Energize, Motivate, and Guide Your Team to Success** Mary Scannell, Mike Mulvihill, Joanne Schlosser, 2013-07-17 The fun and effective way to boost engagement and productivity The Big Book of Team Coaching Games provides the structure and games you need to build and manage powerful teams **Small Business Sourcebook** , 2005 A guide to the information services and sources provided to 100 types of small business by associations consultants educational programs franchisers government agencies reference works statisticians suppliers trade shows and venture capital firms **The Journal for Quality and Participation** , 2007 We Culture Luciana Paulise, 2022-05-13 Today's global complex and disruptive business environment demands companies to make their organizations more adaptive and agile It's imperative that organizations upskill their personnel and set their culture intentionally The companies that develop this culture right will have an incredible competitive advantage Leading change is everybody's job nobody can do it alone A systemic and collaborative approach is needed a we culture mentality The We Culture book will help you create a culture in the future of work to
