How to Promote and Conduct a Successful Revival Reuben Archer Torrey,2017-12-21 Excerpt from How to Promote and

Conduct a Successful Revival With Suggestive Outlines The first edition of this book was published the year before we began our evangelistic tour around the world For two years or more hundreds of us had been praying together for a world wide revival and we had reached the point where we were absolutely sure that the revival was coming and this book was prepared as a preparation for that revival and as a help to it I had not decided at that time to go around the world The decision was made shortly afterwards In looking over the book since my return home I have been surprised to see how closely we have followed the lines of action suggested in this book and have been rejoiced to see how God has set His seal upon the principles enunciated in the book At the time that the book was given to the public the editor was known more as a Bible teacher and as a pastor than as an evangelist His evangelistic activity had been largely confined to those churches of which he himself was pastor Since the publication of the book God has seen fit to lead him out into the evangelistic field and he has had the privilege of applying on a very wide scale the principles which he enunciates in the book and he has found that these principles work successfully even beyond his own anticipation I am more firmly convinced than ever of the truth of the statement found on the eighteenth page of the book About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Expecting Revival R. Clark, 2014-03-21 It is Time For A Revival How long have you been waiting for a revival in your life How about in your church Could a revival change your family your community your world Expecting Revival is a preparation manual for revival But it is so much more This book will take you on a journey of revival in America over the past centuries and in doing so will help you to see that today's Christian and today's church is ripe for revival The first half of the book recounts great moves of God in the past and whets your appetite for a mighty move of God in this day and time The second half of the book is a playbook for preparing your life and your church for a mighty outpouring of God's Spirit in revival power Step by step instructions will help you build and prepare your T E A M s for your revival These teams will begin to live out the pieces of this acronym which stands for Totally Excited About Ministry
