Compilation of Articles on Vietnamese Culture, Traditions, Customs, and Legends ,1981 Background Information on the Vietnamese Culture, Family System, and Customs ,1975 **Vietnam** Bobbie Kalman,2002 Describes such aspects of Vietnamese culture as theater music and dance architecture religion festivals and foods *Serving Library Users from Asia* John Hickok,2019-06-12 Asian populations are among some of the fastest growing cultural groups in the US While books on serving other target groups in libraries have been published e g disabled Latino seniors etc few books on serving library users of Asian heritage have been written Thus the timely need for this book Rather than a generalized overview of Asians as a whole this book has 24 separate chapters each on 24 specific Asian countries cultures of East Southeast and South Asia with a wealth of resources for understanding interacting with outreaching to and serving library users of each culture Resources include cultural guides both print and online language helps with sample library vocabulary Asian booksellers nationwide cultural groups professional literature and more Resources and suggestions are given for all three types of libraries public school and academic making this book valuable for all librarians The demographics of each Asian culture numbers and distribution plus history of immigration and international student enrollment is also featured As a bonus each chapter spotlights a US public school and academic library providing

model outreach to Asian library users Additionally this book provides a detailed description and analysis of libraries in each of the 24 Asian countries The history development facilities conditions technology classification systems and more of public school and academic libraries are all discussed with detailed documentation Country conditions influencing libraries and library use are also described literacy levels reading cultures languages and writing systems educational systems and more Based on the author s 15 years of research and travels to Asia this work is a must have for all librarians , Traditions and Patterns of Vietnamese History Brian Michael Jenkins,1979 **Cultural Traditions in Vietnam** Julia Labrie,2017-08-22 This interesting book examines the holidays and traditions in Vietnam which include colorful festivals that celebrate meaningful lunar calendar days and unique family traditions Readers will be introduced to the traditional foods clothing and other practices used to celebrate holidays in Vietnam *Vietnam, Culture, Tourism* ,1995 **Customs and Culture of Vietnam. Illus. by Hau Dinh Cam** ,1966* Borrowings and Adaptations in Vietnamese Culture Truong Buu Lâm,1987 Nonstate Warfare Stephen Biddle,2022-07-26 How nonstate military strategies overturn traditional perspectives on warfare Since September 11th 2001 armed nonstate actors have received increased attention and discussion from scholars policymakers and the military Underlying debates about nonstate warfare and how it should be countered is one crucial assumption that state and nonstate actors fight very differently In *Nonstate Warfare* Stephen Biddle upturns this distinction arguing that there is actually nothing intrinsic separating state or nonstate military behavior Through an in depth look at nonstate military conduct Biddle shows that many nonstate armies now fight more conventionally than many state armies and that the internal politics of nonstate actors their institutional maturity and wartime stakes rather than their material weapons or equipment determines tactics and strategies Biddle frames nonstate and state methods along a continuum spanning Fabian style irregular warfare to Napoleonic style warfare involving massed armies and he presents a systematic theory to explain any given nonstate actor s position on this spectrum Showing that most warfare for at least a century has kept to the blended middle of the spectrum Biddle argues that material and tribal culture explanations for nonstate warfare methods do not adequately explain observed patterns of warmaking Investigating a range of historical examples from Lebanon and Iraq to Somalia Croatia and the Vietcong Biddle demonstrates that viewing state and nonstate warfighting as mutually exclusive can lead to errors in policy and scholarship A comprehensive account of combat methods and military rationale *Nonstate Warfare* offers a new understanding for wartime military behavior *Culture and Children* Texas.
