Cutting Timber An Irritation:

Cutting Timber Thomas Bernhard,1988 **Aesthetic and Philosophical Reflections on Mood** Birgit Breidenbach,2020-04-19 This study explores the concept of Stimmung in literary and philosophical texts of the modern age Signifying both mood and attunement Stimmung speaks to the categories of affective experience and aesthetic design alike The study locates itself in the nexus between discourses on modernity existentialism and aesthetics and uncovers the pivotal role of Stimmung in 19th and 20th century European narrative fiction and continental philosophy The study first explores the philosophical and aesthetic origins and implications of Stimmung to then discuss its role in the narrative fiction of three key authors of modern literature Fyodor Dostoevsky Samuel Beckett and Thomas Bernhard These readings demonstrate a significant shift towards an aesthetic of affective intensity and immediacy in which the experience of the reading process takes centre stage as each author develops an aesthetic philosophy of Stimmung in their own right Through its focus on the concept of Stimmung the study thus unearths a fundamental link between existentialist concerns and narrative practice in modern literature **Woods Injurious to Human Health** Björn M.
