Divided into 11 key areas: general terminology, web browsing, written online communication, emails and online forms, blogging, collaborative writing, audio visual online communication, searching for information on the web, e learning, online social networking, netiquette, online security, internet services and my digital identity

Cybersecurity in Context Chris Jay Hoofnagle, Golden G. Richard, III, 2024-08-07 A masterful guide to the interplay between cybersecurity and its societal, economic and political impacts, equipping students with the critical thinking needed to navigate and influence security for our digital world

JOSIAH DYKSTRA *Trail of Bits* A comprehensive multidisciplinary introduction to the technology and policy of cybersecurity. Start here if you are looking for an entry point to cyber.

BRUCE SCHNEIER author of *A Hacker's Mind* How the Powerful Bend Society's Rules and How to Bend Them Back The first ever introduction to the full range of cybersecurity challenges. Cybersecurity is crucial for preserving freedom in a connected world. Securing customer and business data, preventing election interference and the spread of disinformation and understanding the vulnerabilities of key infrastructural systems are just a few of the areas in which cybersecurity professionals are indispensable. This textbook provides a comprehensive student oriented introduction to this capacious interdisciplinary subject.

Cybersecurity in Context covers both the policy and practical dimensions of the field. Beginning with an introduction to cybersecurity and its major challenges, it proceeds to discuss the key technologies which have brought cybersecurity to the fore, its theoretical and methodological frameworks and the legal and enforcement dimensions of the subject. The result is a cutting edge guide to all key aspects of one of this century's most important fields.

Cybersecurity in Context is ideal for students in introductory cybersecurity classes and for IT professionals looking to ground themselves in this essential field
