and a certain heady license may be found in the distant cities of Europe or north Africa but the stories are for the most part located in familiar Welsh settings a schoolroom a provincial town a mining village a tourist resort a sacred island The intensity of desire whether overt playful or coded makes this a rich and often surprising collection that reimagines what being queer and Welsh has meant in different times and places The first anthology of its kind in Wales which finally sheds light on a largely hidden queer cultural history with the careful selection of over 40 short stories 1837 2018 New translations of Kate Roberts Mihangel Morgan Jane Edwards Pennar Davies and Dylan Huw make available their compelling stories for the first time to a non Welsh speaking readership Previously unpublished works by writers such as Margiad Evans and Ken Etheridge appear alongside better known favourites
