## **Cynthia Ozick Modern Critical Views:**

**Daughters of Valor** Jay L. Halio, Ben Siegel, 1997 The essays in this book focus on a wide and representative variety of Jewish American women writers including Cynthia Ozick Anne Roiphe Erica Jong Pauline Kael Allegra Goodman Norma Rosen Adrienne Rich Lynn Sharon Schwartz and others In every instance the contributors have tried to deal not only with the Jewish content of their work but also with its literary quality and other major themes *Cynthia Ozick* Harold Bloom, 1986 A collection of critical essays on the fiction of Cynthia Ozick **The Anatomy of Bloom** Alistair Heys, 2014-07-31 Here at last is a comprehensive introduction to the career of America's leading intellectual The Anatomy of Bloom surveys Harold Bloom's life as a literary critic exploring all of his books in chronological order to reveal that his work and especially his classic *The Anxiety of Influence* is best understood as an expression of reprobate American Protestantism and yet haunted by a Jewish fascination with the Holocaust Heys traces Bloom's intellectual development from his formative years spent as a poor second generation immigrant in the Bronx to his later eminence as an international literary phenomenon He argues that as the quintessential living embodiment of the American dream Bloom's career path deconstructs the very foundations of American Protestantism Race, Rights, and Recognition Dean J. Franco, 2012-05-15 In *Race Rights and Recognition* Dean J. Franco explores the work of recent Jewish American writers many of whom have taken unpopular stances on social issues distancing themselves from the politics and public practice of multiculturalism While these writers explore the same themes of group based rights and recognition that preoccupy Latino African American and Native American writers they are generally suspicious of group identities and are more likely to adopt postmodern distancing techniques than to presume to speak for their people Ranging from Philip Roth's scandalous 1969 novel *Portnoy's Complaint* to Gary Shteyngart's *Absurdistan* in 2006 the literature Franco examines in this book is at once critical of and deeply invested in the problems of race and the rise of multicultural philosophies and policies in America Franco argues that from the formative years of multiculturalism 1965-1975 Jewish writers probed the ethics and not just the politics of civil rights and cultural recognition this perspective arose from a stance of keen awareness of the limits and possibilities of consensus based civil and human rights Contemporary Jewish writers are now responding to global problems of cultural conflict and pluralism and thinking through the challenges and responsibilities of cosmopolitanism Indeed if the United States is now correctly if cautiously identifying itself as a post ethnic nation it may be said that Jewish writing has been well ahead of the curve in imagining what a post ethnic future might look like and in critiquing the social conventions of race and ethnicity Holocaust Literature: Lerner to Zychlinsky, index S. Lillian Kremer, 2003 Review This encyclopedia offers an authoritative and comprehensive survey of the important writers and works that form the literature about the Holocaust and its consequences The collection is alphabetically arranged and consists of high quality biocritical essays on 309 writers who are first second and third generation survivors or important thinkers and spokespersons on the Holocaust An essential literary reference work this publication is an important addition to

the genre and a solid value for public and academic libraries The Top 20 Reference Titles of the Year American Libraries May 2004
