British imperialism in Cyprus, 1878-1915 Andrekos Varnava,2017-03-01 This book explores the tensions underlying British imperialism in Cyprus Much has been written about the British Empire s construction outside Europe yet there is little on the same themes in Britain s tiny empire in Europe This study follows Cyprus progress from a perceived imperial asset to an expendable backwater by explaining how the Union Jack came to fly over the island and why after thirty five years the British wanted it lowered Cyprus importance was always more imagined than real and was enmeshed within widely held cultural signifiers and myths British Imperialism in Cyprus fills a gap in the existing literature on the early British period in Cyprus and challenges the received and monolithic view that British imperial policy was based primarily or exclusively on strategic military considerations The combination of archival research cultural analysis and visual narrative that makes for an enjoyable read for academics and students of Imperial British and European history **The Archbishops of Cyprus in the Modern Age** Michalis N. Michael,Andrekos Varnava,2013-07-26 Cyprus Historical and Contemporary Studies Since the onset of Ottoman rule but more especially from the mid 18th Century the archbishops of the autocephalous Cypriot Orthodox Church have wielded a great deal of political power Most people of a certain age will remember the bearded monk who became a Greek nationalist politician and the first President of the Republic of Cyprus in 1960 Archbishop Makarios III Indeed his presence at Madame Tussaud s is a reminder of his stature But were all Cypriot archbishops such political and powerful Greek nationalists This study is unique in its exploration of the peculiar role of the archbishop ethnarch and as such offers valuable historical and political insights into the phenomenon This book offers a political history of religious authorities in the pre modern modern and post modern eras It examines how nationalist politics evolved and was co opted by religious authorities in order to re establish political hegemony from a secular European colonial power and the consequences this entailed after the end of the British empire *The Cyprus Review* ,2004 **Cyprus: an Analysis of Cypriot Political Discord** Halil Ibrahim Salih,1968 *Middle East: A strategic survey* Army Library (U.S.),1965 The United States & Cyprus Eugene T. Rossides,Van Coufoudakis,2002 Book contains over 50 speeches presented or submitted at conferences sponsored by AHI from 1988 to 1999 and submitted articles It includes important statements from U S officials Members of Congress academics and others The volume details the responsibility of the U S for 1 the illegal coup ordered by the Greek dictator Brigadier General Dimitris Ioannides on July 15 1974 and 2 Turkey s illegal invasion of Cyprus on July 20 1974 and

the second phase of Turkey's aggression on August 14 16 1974 **Middle East: Tricontinental Hub: A strategic survey**
United States. Department of the Army, 1965 *Cyprus* Paschalis Kitromilides, Marios L. Evriviades, 1995 The name of the
Eastern Mediterranean island of Cyprus is often associated with great power rivalries regional political antagonism and
multiple ethnic and partisan conflicts Yet this island is much more It is endowed with an impressive cultural heritage and is
distinguished by an evolving tradition of art and creative expression Strategically positioned at the threshold of three
continents Cyprus has long been a crossroads for East and West Its geographical position has shaped both its history and its
culture This volume offers guidance to both older classics and to an extensive range of works on modern scholarship
Cyprus, the Impact of Diverse Nationalism on a State Halil Ibrahim Salih, 1978 Modern European Imperialism:
General and British Empire John P. Halstead, Serafino Porcari, 1974 *A History of Cyprus* Kypros Tofallis, 2002
