Czech Modernism, 1900-1945 Jaroslav Anděl, Museum of Fine Arts, Houston, 1989-01-01 Czech Modernism, 1900-1945, 1989 **Czech Modernism, 1900-1945. Exhibition** Jaroslav Andel, 1989 *CZECH MODERNISM*. Jaroslav Anděl, ANNE WILKES TUCKER, 1989 Political Dreams and Musical Themes in the 1848-1922 Formation of Czechoslovakia James W. Peterson, William J. Peterson, 2023-10-24 Political Dreams and Musical Themes in the 1848 1922 Formation of Czechoslovakia Interaction of National and Global Forces characterizes the 1918 22 formation of Czechoslovakia as a consequence of political and musical expressions Nationalist expressions and formations were striking after the 1848 Revolution The authors explore how the music of Smetana Jan cek and Dvor k inspired people with reminders about the important achievements of past Bohemian leaders Under the control of the Vienna based Habsburg Empire Czech leaders also achieved more political representation in both Habsburg and Bohemian legislatures and Slovaks made some national progress in at least asserting their demands to Budapest and its controlling Magyar Empire During the early twentieth century there was additional pressure to link up these nationalist movements in both music and politics with regional modernist approaches that were increasingly popular in other parts of Europe The outbreak of World War I in 1914 opened up opportunities such as joint participation in the Czechoslovak Legion for the two key ethnic groups to forge a Czechoslovak state Independence took place with considerable western support on October 28 1918 and the commemorative concert two days later of compositions by Josef Suk put the final stamp on a considerable achievement that bore the hallmarks of globalism as well as nationalism **The Cinema of Central Europe** Peter Hames, 2004 Analysis of 24 films including *People of the mountains* *Ashes and diamonds* *Knife in the water* *A shop on the high street* *Closely observed* *Trains* *Daisies* *Man of marble* *Colonel Redl* *The decalogue* *Dekalog* *Satantango* *The garden* *Alice* directed by Jan Svankmajer *H. G. Adler* Peter Filkins, 2019-02-12 The biography of H G Adler 1910 88 is the story of a survivor of Theresienstadt Auschwitz and two other concentration camps who not only lived through the greatest cataclysm of the 20th century but someone who also devoted his literary and scholarly career to telling the story of those who perished in over two dozen books of fiction poetry history sociology and religion And yet for much of his life he remained almost entirely unknown A writer s writer a scholar of seminal pioneering works on the Holocaust a renowned radio essayist in postwar Germany a last representative of the Prague Circle of literature headed by Kafka a key contributor to the prosecution in the trial of Adolf Eichmann Adler was a man of his time whose times lived through him His is the story of many others but also one that is singularly his own And at its heart lies a profound story of love and perseverance amid the loss of his first wife Gertrud Klepetar who accompanied her mother to the gas chamber in Auschwitz and the courtship and extended correspondence with Bettina Gross a Prague artist who escaped to the Britain only to later learn that her mother had also been in Theresienstadt with Adler before her eventual death in Auschwitz His delivery of a lecture in Theresienstadt commemorating Kafka s sixtieth birthday and with Kafka s

favorite sister present the nurturing of a younger generation of artists and intellectuals including the Israeli artist Jehuda Bacon and the Serbian novelist Ivan Ivanji the preservation of Viktor Ullmann's compositions and his opera The Emperor of Atlantis only to see them premiered decades later to world acclaim and the penury of postwar life while churning out the novels poetry and scholarship that would make his reputation all of these are part of a life survived in the moment but dedicated to the future and that of a man committed to helping human dignity survive in his time and that to come

Movement, Manifesto, Melee Milton A. Cohen, 2004-01-01 The years before World War I were a fertile period for artists in Europe and the United States who were challenging aesthetic convention in music writing and the visual arts These early pioneers of modernism sometimes preferred to work alone but just as often they were associated with groups whose boundaries were permeable and freely changing While these individual groups_including the Futurists Imagists Blue Rider and the Second Vienna School_have been thoroughly studied scholars of the period have often neglected the formative and pervasive interactions of these groups across geographic and artistic boundaries Providing a historical taxonomy of this influential milieu Milton Cohen demonstrates how these groups were largely responsible for the artistic innovation and nearly all the avant garde agitation and major events of these years With concluding appendices intended for scholars and specialists this engagingly written book will be useful not only for classroom use and scholarly research but will appeal to anyone interested in reading a fresh approach to the history of early modernism *Centropa*, 2005 *100 Years of European Cinema* Diana Holmes, Alison Smith, 2000 This text explores the complex relationship between entertainment ideology and audiences in European film through studies that range from the Stalinist musicals of the 1930s to cinematic representations of masculinity under Franco *The Cinema of Jan Švankmajer* Peter Hames, 2008 Previous ed published as *Dark alchemy* Westport Conn Greenwood 1995 **The Saint Louis Art Museum ... Bulletin**, 1994 Jaromír Funke Antonín Dufek, 2013 Jaromír Funke 1896-1945 was a innovator of modern photography just like Jaroslav Rössler Man Ray László Moholy-Nagy Albert Renger-Patzsch Aleksander Rodchenko Paul Strand and Edward Weston to name but a few Like them Funke set out in 1922 on the road towards abstraction which would eventually lead him to his own particularism photogenism Funke also responded to Cubism and created exemplary works of the New Objectivity and Constructivism but he stood closest to Bauhaus During the 1920s he was one of the first to adopt irrational approaches such as Poetism and Surrealism In the second half of the 1930s Funke established his emotional photography on the basis of Breton's notion of the magic encounter He was a typical universally educated intellectual of his era This book focuses primarily on the ideas that shaped and transformed Funke's work while placing it within the context of European avant garde photography and culture of which he was a pioneer **Between Texts, Languages, and Cultures** Michael Henry Heim, 2008 International Year Book Covering the Year ..., 1990 **The Hollywood Reporter**, 1991 Bulletin of the City Art Museum of St. Louis St. Louis Art Museum, 1994 *My, 1948-1989* Moravská galerie v Brně, 1999 **Alexandr**

Hackenschmied Jaroslav Anděl, Alexander Hammid, 2000 Born in 1907 Alexandr Hackenschmied is one of the founders of modern Czech photography and film He is better known here as Sasha Hammid the name he took upon becoming a United States citizen in 1947 having fled Nazi persecution in his native Czechoslovakia in 1939 Since then he and his wife Maya Deren have played a key role in American avant garde film Both by himself and in collaboration with other artists Hackenschmied made a number of important documentaries including the 1964 film To Be Alive made with Francis Thompson which was awarded an Oscar for Best Documentary in 1967 His photographic work though less well known here is equally worthy of praise In it we see his dynamic conception of space honed with years of experience as a cameraman and editor and the combination of formal perfection with deep emotional resonance the meeting of the artist s mind with the mind of the audience **Art Now Gallery Guide** ,1990-03
