Czech New Testament Slovo Na Cestu:

Biblical Studies on the Internet Roland H. Worth, Jr.,2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use *The Torah / Law Is a Journey* Ivana Procházková,2021-07-01 Metaphorical expressions not only appear in poetic texts of the Old Testament but also in legal texts In particular they appear in the preambles to collections of laws in their final summaries in more general considerations on compliance with and violation of the law in texts concerning the meaning of the law dealing with topics that are now dealt with in law theory or law philosophy Metaphorical expressions usually reveal how the authors of the relevant Torah Law texts understood their function in society in culture They testify to the place of the Torah Law in the system of values about what society preferred in the law The following monograph is a contribution to the scholarly debate which is methodologically anchored in cognitive and culturally oriented linguistics Its focus is to investigate Hebrew metaphorical expressions concerning one of the key Old Testament concept Torah Law The author focuses on the identification of Hebrew conceptual metaphors and on the explanation of the meaning of the respective metaphorical expressions Another area in which the use of cognitive linguistic analyses and the interpretation of metaphorical expressions has proven to be very effective is in the area of translation The third chapter of this book is given to look at modern translations of selected metaphorical expressions into modern Czech and English Another possible application of cognitive linguistic analyses of metaphorical expressions in the semantic field Law is represented by the final case study The study brings the results of cognitive semantic analyses of the didactic human rights material Compass Manual for Human Rights Education with Young People with regard to the metaphors used to conceptualize the concept of human rights *Bible Review* ,2002 *Newsletter* American Theological Library Association,2001 *Česká národní bibliografie* ,1998
