

Czech Republic And Slovak Republic

**John S. King, Scott McNeely, Richard
Nebeský**

Czech Republic And Slovak Republic:

Governing the Czech Republic and Slovakia John A. Scherpereel, 2009 Explores the interplay of historical institutional legacies short term elite interests and international pressures in the process of democratic consolidation in the Czech Republic and Slovakia *The History of the Czech Republic and Slovakia* William Mahoney, 2011-02-18 This survey of Czech and Slovak history traces the development of two neighboring peoples through the creation of a common Czechoslovakian state in 1918 to the founding of the independent Czech and Slovak Republics in 1993 and beyond The History of the Czech Republic and Slovakia charts historical developments in the two nations to the opening decade of the 21st century The book begins with an overview of the geography climate people economy and government of both the Czech and Slovak republics Subsequent chapters offer a chronologically organized survey of historical events trends ideas and people Starting with the early Slavic settlements around the 5th century AD the book explores Czech and Slovak history through the Middle Ages the Renaissance and Early Modern eras the Enlightenment and the age of nationalism and revolution Chapters on the 20th century include discussion of the World Wars the interwar Czechoslovak state the Communist decades the Prague Spring and the Velvet Revolution of 1989 The story is brought up to date with insights into developments in the independent Czech and Slovak republics since 1993 **The Road to the European Union** Jacques Rupnik, Jan Zielonka, 2003-11-08 Publisher Description **The Czech And Slovak Republics** Carol Leff, 2018-02-15 This clear objective introduction to the politics of Czechoslovakia and the successor Czech and Slovak Republics provides a comprehensive analysis of Czechoslovakia in the postcommunist period Carol Leff builds a framework for understanding the dynamics of the triple transition democratization marketization and a national transformation that has reconfigured the dynamic between state and nation She shows how the interaction of these three transformational agendas has shaped Czechoslovakia's development ultimately culminating in the paradoxical disintegration of a state that most of its citizens wished to preserve The book offers a valuable case study of a country coming back to Europe but it also provides an opportunity for analyzing the influence of communism on what had been a significant interwar European state The book's strong comparative element will make it invaluable as well for those seeking to understand contemporary Central and Eastern Europe Czech & Slovak Republics John S. King, Scott McNeely, Richard Nebeský, 1998 Briefly traces the history of the region describes points of interest and recommends hotels and restaurants *Defining the Sovereign Community* Nadya Nedelsky, 2012-02-28 Though they shared a state for most of the twentieth century when the Czechs and Slovaks split in 1993 they founded their new states on different definitions of sovereignty The Czech Constitution employs a civic model founding the state in the name of the citizens of the Czech Republic while the Slovak Constitution uses the more exclusive ethnic model and speaks in the voice of the Slovak Nation *Defining the Sovereign Community* asks two central questions First why did the two states define sovereignty so differently Second what impact have these choices had on individual and minority

rights and participation in the two states Nadya Nedelsky examines how the Czechs and Slovaks understood nationhood over the course of a century and a half and finds that their views have been remarkably resilient over time These enduring perspectives on nationhood shaped how the two states defined sovereignty after the Velvet Revolution which in turn strongly affected the status of the Hungarian minority in Slovakia and the Roma minority in the Czech Republic Neither state has secured civic equality but the nature of the discrimination against minorities differs Using the civic definition of sovereignty offers stronger support for civil and minority rights than an ethnic model does Nedelsky's conclusions challenge much analysis of the region which tends to explain ethnic politics by focusing on postcommunist factors especially the role of opportunistic political leaders Defining the Sovereign Community instead examines the undervalued historical roots of political culture and the role of current constitutional definitions of sovereignty Looking ahead Nedelsky offers crucial evidence that nationalism may remain strong in Slovakia and the Czech Republic even in the face of democratization and EU integration and is an important threat to both

The Czech and Slovak Republics M. Mark Stolarik, 2017-01-01 The essays in the book compare the Czech Republic and Slovakia since the breakup of Czechoslovakia in 1993 The papers deal with the causes of the divorce and discuss the political economic and social developments in the new countries This is the only English language volume that presents the synoptic findings of leading Czech Slovak and North American scholars in the field The authors include two former Prime Ministers of the Czech Republic and Slovakia eight leading scholars four Czechs and four Slovaks and eight knowledgeable commentators from North America The most significant new insight is that in spite of predictions by various pundits in the Western World that Czechia would flourish after the breakup and Slovakia would languish the opposite has happened While the Czech Republic did well in its early years it is now languishing while Slovakia which had a rough start is now doing very well Anyone interested in the history of the Czech and Slovak Republics over the last twenty years will find gratification in reading this book

The Czech And Slovak Republics Carol Leff, 2018-02-15 This clear objective introduction to the politics of Czechoslovakia and the successor Czech and Slovak Republics provides a comprehensive analysis of Czechoslovakia in the postcommunist period Carol Leff builds a framework for understanding the dynamics of the triple transition democratization marketization and a national transformation that has reconfigured the dynamic between state and nation She shows how the interaction of these three transformational agendas has shaped Czechoslovakia's development ultimately culminating in the paradoxical disintegration of a state that most of its citizens wished to preserve The book offers a valuable case study of a country coming back to Europe but it also provides an opportunity for analyzing the influence of communism on what had been a significant interwar European state The book's strong comparative element will make it invaluable as well for those seeking to understand contemporary Central and Eastern Europe

The Break-up of Czechoslovakia Oldřich Dědek, 1996 This work examines the dissolution of Czechoslovakia in 1993 The emphasis is on the economic side of the process and the economic history which preceded the

split is analyzed The original policy measures adopted to minimize the dissolution shocks are described as are the recent post split trends in both the successor economies This work aims to provide a detailed insight into the process of the split and to serve as a source of knowledge in today s world of growing nationalism **Czech & Slovak Republics** John S. King,Richard

Nebeský,1995 Croatia is one of the most popular short haul destinations for Europeans and a trendy travel hot spot Smart itineraries section helps readers tailor their trips *Proceedings of the 61st International Conference of Machine Design*

Departments (ICMD 2020) Jaroslav Homišin,Michal Petrů,David Herák,Ladislav Ševčík,2023-05-29 This is an open access book

The 61st International Conference of Machine Design Departments is mainly focused on sharing professional experience and discussing new theoretical and practical findings The objective of the conference is to identify the current situation exchange experience establish and strengthen relationships between universities companies and scientists from the field of Machine Design **Migration in the Czech Republic and Slovakia** Wadim Strielkowski,2012-02-20 This book

presents some novel empirical findings on the economics of migration in Eastern European countries represented by the Czech Republic and Slovakia Unique historical experience of these countries together with the in depth economic analysis of their past and the future might be of some interest to the world of science Not much has been said about this part of Europe in the context of migrations and economics of migrations Therefore it is believed that this work might trigger off further research that would draw from the rich history and experience of this part of the world **The Czech & Slovak Republics**

Rob Humphreys,David Charap,1996 This book provides comprehensive and up to date information about the Czech and Slovak republics with reviews of the best restaurants and pubs accommodation and entertainment plus information on the history and culture of the two nations International Summit on the Teaching Profession Building a High-Quality Teaching Profession Lessons from around the World Schleicher Andreas,2011-11-21 This report presents the best current evidence

about what can make teacher oriented reforms effective and points to examples of reforms that have produced specific results show promise or illustrate imaginative ways of implementing change Culture and Customs of the Czech Republic and Slovakia Craig Cravens,2006-08-30 The Czech Republic is a red hot European destination and the charms of Slovakia are

slowly being discovered by Westerners as well The two countries share fundamental similarities in language and culture but they never really managed to create a common national Czechoslovak identity after being merged in 1918 when the Austro Hungarian Empire collapsed With the lifting of the Iron Curtain in 1989 through the Velvet Revolution and the final breakup of Czechoslovakia in to two countries in 1993 this up to date substantive insight is much needed This volume overviews the current social cultural and political scene of both countries so that general readers come away with a solid understanding of where the Czechs and Slovaks have been and where they are going The land people and history chapter lays the groundwork for the rest of the narrative In the chapter on religion and thought the reasons for the widespread atheism of the Czechs and the contrasting religiosity of the Slovaks are explained Both peoples are shown to have relaxed attitude toward life and a love

of celebrations with a strong beer culture The state of women and family and feminism in the post Soviet era is also discussed and readers will learn about the role of romance novels and the Czech Cosmopolitan The literature chapter emphasizes the Czech sense of humor and the lack of translations of Slovakian works The crises in journalism and cinema are other important topics Finally the strong traditions of theater and music which have always been part of the Czech national consciousness are seen to be as alive and vibrant as in any place in the world

Structure and Performance of the Services Sector in Transition Economies , *Implementing Environmental Constitutionalism* Erin Daly,James R.

May,2018-05-31 Constitutions can play a central role in responding to environmental challenges such as pollution biodiversity loss lack of drinking water and climate change The vast majority of people on earth live under constitutional systems that protect the environment or recognize environmental rights Such environmental constitutionalism however falls short without effective implementation by policymakers advocates and jurists *Implementing Environmental Constitutionalism* Current Global Challenges explains and explores this implementation gap This collection is both broad and deep While some of the essays analyze crosscutting themes such as climate change and the need for rule of law that affect the implementation of environmental constitutionalism throughout the world others delve deeply into geographically contextual experiences for lessons about how constitutional environmental law might be more effectively implemented This volume informs global conversations about whether and how environmental constitutionalism can be made more effective to protect the natural environment

Culture and Customs of the Czech Republic and Slovakia Craig Stephen Cravens, National Human Development Report : Slovak Republic 1999 ,1999 **Czech & Slovak Republics** Insight Guides,1998 Insight Guides the world s largest visual travel guide series in association with Discovery Channel the world s premier source of nonfiction entertainment provides more insight than ever From the most popular resort cities to the most exotic villages Insight Guides capture the unique character of each culture with an insider s perspective Inside every Insight Guide you ll find Evocative full colour photography on every page Cross referenced full colour maps throughout A brief introduction including a historical timeline Lively essays by local writers on the culture history and people Expert evaluations on the sights really worth seeing Special features spotlighting particular topics of interest A comprehensive Travel Tips section with listings of the best restaurants hotels and attractions as well as practical information on getting around and advice for travel with children

Czech Republic And Slovak Republic Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Czech Republic And Slovak Republic PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to

personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Czech Republic And Slovak Republic PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Czech Republic And Slovak Republic free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Czech Republic And Slovak Republic Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
